4. Step-by-Step Assembly Instructions

Step 1: Connect Front Board & Wooden Rod

- Connect the wooden rod (C) to the front board (B) using screw (K) and washer (M).

Tighten the screws to 100% in this step.

Step 2: Attach Iron Rod to Front Board

- Attach the iron rod (A) to the front board (B) using screw (K) and washer (M).

Tighten the screws to 50% in this step.

"Ensure the sofa is assembled on a level surface to prevent instability after installation."

Step 3: Attach the iron rod to one armrest

- Connect the iron rod (A) to the armrest (D). Fasten them with the short screws (K) and long screws (S) together with the washers (M). Note: Do not attach the other armrest for the time being.

Tighten the screws to 50% in this step.

Step 4: Attach Iron Rod to Backrest

- Attach the iron rod (A) to the backrest (F) using screw (K) and washer (M).

Tighten the screws to 100% in this step.

“Ensure the sofa is assembled on a level surface to prevent instability after installation.”

Step 5: Install Feet with Plastic Washer

- Install the feet (J) with plastic washer (O) on the bottom.

Step 6: Tighten all screws and attach the seat

- First, recheck and fully tighten all screws from the previous steps. Then use butterfly nuts (R), screws (S) and washers (M) to attach the seat (for 2-seater and larger models only).

"Ensure the sofa is assembled on a level surface to prevent instability after installation."

Step 7: Install Slats on Seat with Velcro Strap

- Put the slats (E) on the seat.

Step 8: Attach the other armrest

6.Maintenance & Safety Guidelines

Care Instructions (To Keep Your Sofa Looking New)

- Keep the sofa at least 2 feet away from heat sources (radiators, heaters, fireplaces).
- Clean spills immediately: use mild, non-colored soap mixed with warm water (1:10 soap-to-water ratio). Dab gently—do not rub.
- Do NOT use harsh cleaners, solvents, abrasives, spray polishes, or leather cleaners (they damage the fabric).
- Avoid direct sunlight (prolonged exposure causes fading).
- Do NOT use dry cleaning machines on any cushions or components.

Safety Warnings

- Weight Capacity: 330 LBS PER SEAT (do not exceed this limit).
- Keep children from climbing or jumping on the sofa (risk of tipping or damage).
- Do not write on unprotected surfaces (use a padded cover if needed).
