Eloquent Thoughts2

D2218S44348-3565

Eloquent Thoughts V is part of a series of six works that hark back to the Abstract Expressionist movement that emerged in the mid-20th century. These works are characterized by bold, gestural marks that express action.

Waves of white crash down upon abstract splashes of color in Eloquent Thoughts 5. This bustling work is packed with overlapping colors and brushstrokes that give it a textural feel. A swathe of alabaster and steel blue command the surface with patches of mustard, burnt orange, coral, and midnight blue providing depth in this original addition to the carefully curated ART by TA Collection.
