

VTHY-005

Colorado Drum Coffee Table

OVERVIEW

Concrete adopts alluring shapes as modern geometrics play with nature's petal form. A hollowed drum of dark grey concrete is intricately etched for artistic intrigue. Safe indoors or out. Cover or store indoors during inclement weather or when not in use.

COLLECTION OVERVIEW

From the Thayer Collection

Ombre finishes transform industrial materials. Concrete takes on alluring shapes — rounded, polished, and painted in faded jewel tones. Small-scaled accent and occasional pieces make a modern statement indoors or in protected outdoor spaces.
