INSTALLATION OF THE SOFA MAIN BODY

Armrest
Mounting Bracket

Rear Leg Mounting
Holes

1

Ensure the rear leg mounting holes and the armrest mounting brackets are on the same side, as shown. Then attach the armrests to the sofa base.

2

Take out the gaskets and nuts from the accessories, and tighten them securely as shown in the picture.

3

Close the bottom cloth cover and align its holes accurately.

4

Take out the sofa legs, threaded rods and metal gaskets (Accessory No.: A, B, D, H*2), and install them as shown in the picture.

INSTALLATION OF THE SOFA MAIN BODY

IMPORTANT:

After installing the rear sofa legs, verify that the rear sofa legs and the armrest mounting brackets are on the same side, as shown.

5

Take out the sofa backrest component and assemble the backrest as shown in the picture.

Note:

Two people are required for installation.

Place the seat cushions and back cushions as shown in the picture.

As shown in the picture, the sofa assembly is complete.
