PRECAUTIONS

1. Contents of the Package

The package includes multiple components and accessories, each clearly labeled with a letter or number. Please verify all parts are present before use and keep them out of reach of children to prevent accidents.

2. Installation Surface

To avoid scratching or damaging the product, please assemble it on a clean, soft surface, such as a carpet or piece of cardboard.

3. Stability During Assembly

The product may be unstable prior to full assembly. Please do not move the product until installation is complete.

4. Tool Usage

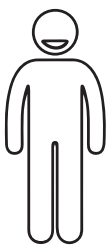

We recommend using the tools provided in the package. If you choose to use a power tool, please set it to a low power and torque setting to avoid damage.

IMPORTANT:

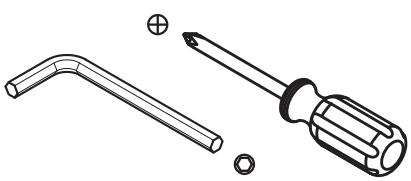

Please follow the installation steps in the order shown in this manual. Improper installation may result in difficulties during assembly or damage to the product and its components.
