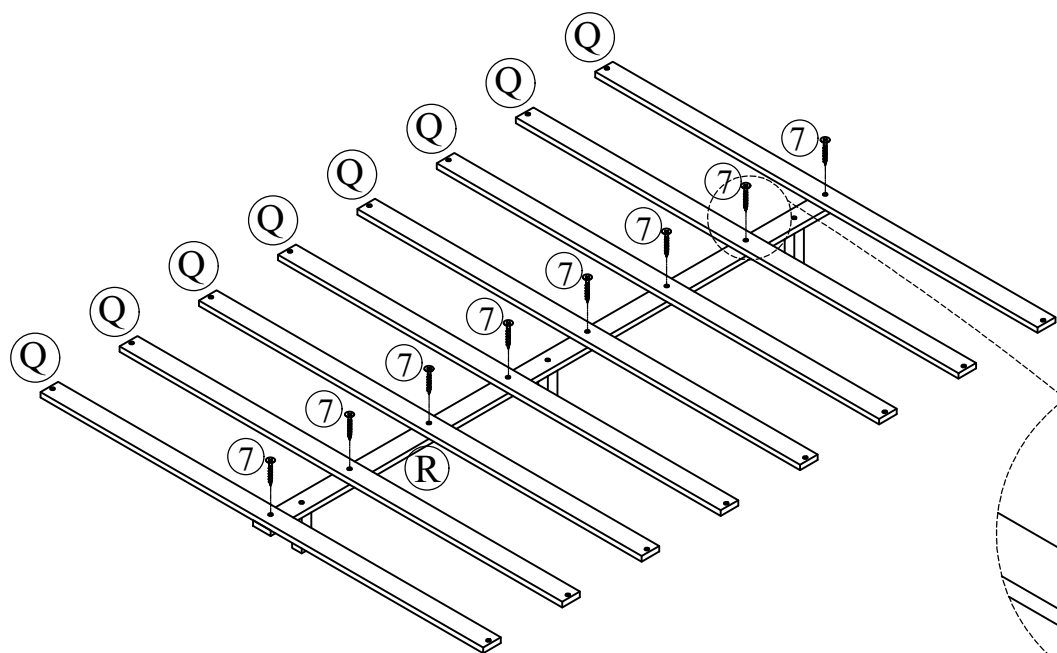

Diagram illustrating Step 7: Attaching the headboard. The headboard is shown being aligned with the bed frame. Two screws (2) are shown being inserted into the headboard's side rail (A) to secure it to the frame. A callout shows a close-up of a screw (2) being inserted into the headboard's side rail (A) using a screwdriver (9). A legend in the top right corner indicates that '2' represents a screw and that there are 4 pieces of this screw.
