MORTISE HANDLESET ENTRANCE TRIM, KNOB INTERIOR

ESTATE PORTFOLIO

Model Number:
M504.190.ENTR

Key Features

- ✓ The Cody Full Escutcheon Trim is a clean design that emphasizes a simple and modern look to any door.
 - ✓ Shown in Standard Entry Function, but also available in Full Dummy and Exterior Only, as well as individual escutcheons Cut for Cylinder, Cut for Emergency Release, Cut for Knob and Cut for Turn Knob.
 - ✓ Customize by substituting any interior knob or lever of your choice or by utilizing the interior escutcheon plate to create passage, privacy, dummy or entry sets. Thin and thick door kits available to accommodate a wide range of door conditions and applications.
- The mortise application is a unique door condition that requires custom door preparation, specification and installation. The full mortise
- ✓ specification requires multiple components, including this decorative trim. To learn more about specifying mortise, please refer to the "Know Before You Go" section on this page.
