

Certificate of Compliance
Product Safety - Perfluoroalkyl and Polyfluoroalkyl Substances (PFAS)

This certificate is issued in accordance with the California Assembly Bill No. 1817 and other applicable state regulations related to product safety for Perfluoroalkyl and Polyfluoroalkyl Substances (PFAS).

We, Mlily USA and its affiliates and subsidiaries collectively known herein as “Mlily”, hereby certify that, all products manufactured, distributed, or sold by Mlily are in accordance with the requirements set forth in California Assembly Bill No. 1817, effective January 1, 2025.

Specifically, the products:

1. **Do not contain any regulated perfluoroalkyl and polyfluoroalkyl substances (PFAS),** as defined in AB 1817.
2. Have been manufactured using the least toxic alternatives available.
3. Meets all safety and regulatory requirements outlined under AB 1817.

This certificate is duly signed by an authorized representative of Mlily and serves as formal confirmation that our products adhere to all relevant legal provisions pertaining to PFAS. Additionally, this document serves as a “Certificate of Compliance” for our business partners who sell Mlily products within the State of California, confirming that the textile fabrics used in our products are compliant with applicable regulations and do not contain PFAS.
