FLAP SIZES

S

M

L

XL

Single flap 6" x 11" 8" x 15" 10" x 19" 12" x 23"

Double flap 6" x 10" 8" x 14" 10" x 18" 12" x 22"

(Double flap Endura Flap pet doors lose about 1" of height for the pet to go through when opened)

Measuring Pets

Measure from the ground to the tallest point of the back. Open a door the minimum width necessary for the pet to comfortably fit through.

The pet door should sit at least 1" above the tallest point of the back. Remember to consider the distance between the pet door and the ground, aka the "step over" which should not be too tall for the pets!

15 year warranty!
