Assembly Manual
Power Recliner Armchair

⚠ CAUTION

THIS ASSEMBLY MANUAL CONTAINS IMPORTANT SAFETY INFORMATION.
PLEASE READ AND KEEP FOR FUTURE REFERENCE.

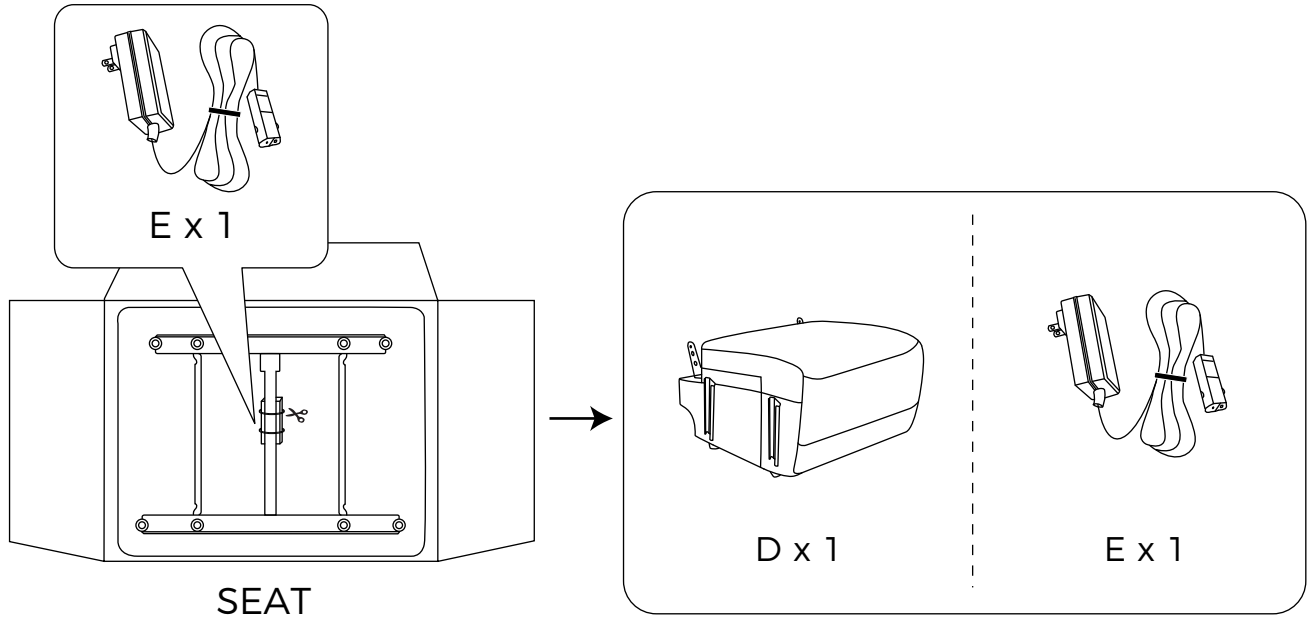

Count parts before assembling.

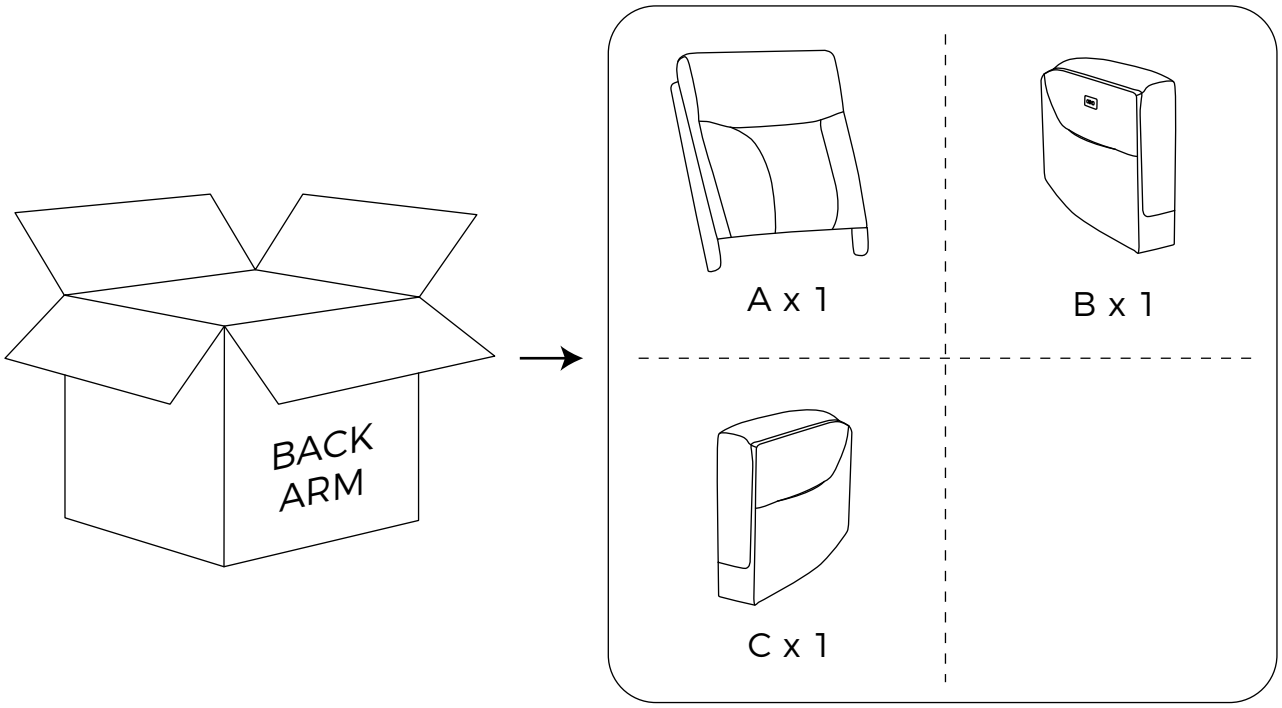

A 1 pc 	**B** 1 pc 	**C** 1 pc 
Backrest	Left Armrest	Right Armrest
D 1 pc 	**E** 1 pc 	
Seat	Power Supply	

Step 1

This product is divided into 2 packages: seat (1 box), back and arms (1 box). Please open all packages upon receipt and check if all components are complete!

Open the carton and locate the Power Supply (E). Before assembly, cut the straps at the bottom of the base.

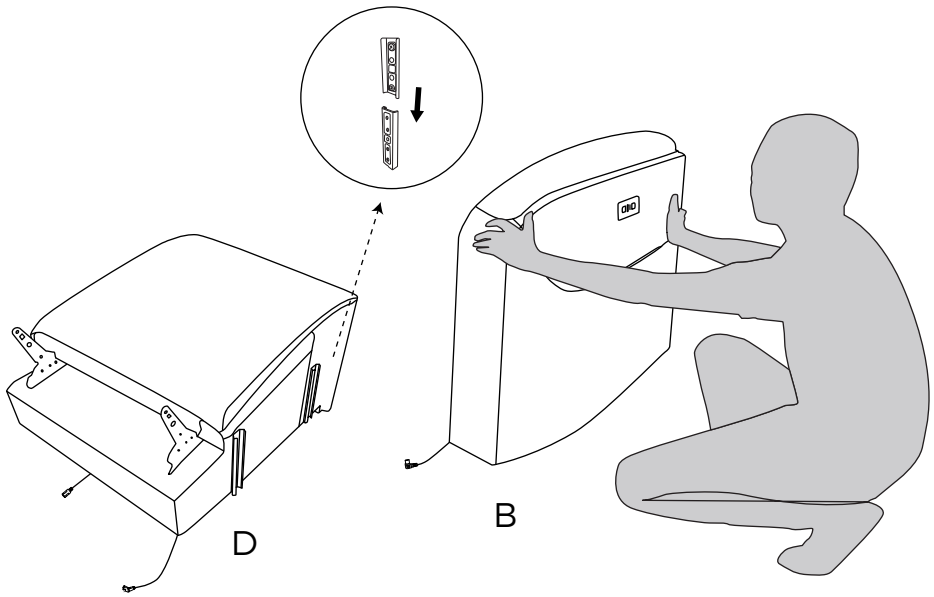

Step 2

Slide the Left Armrest (B) into the Seat (D). Push down the Left Armrest (B) firmly until it is locked into place.

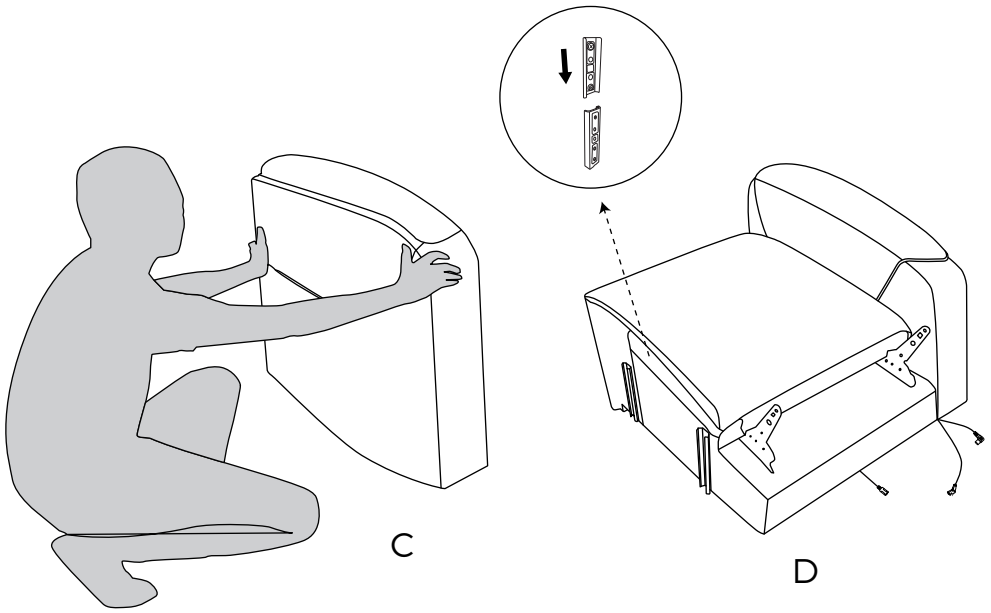

Note: Do not sit on the armrest after it is installed.

Step 3

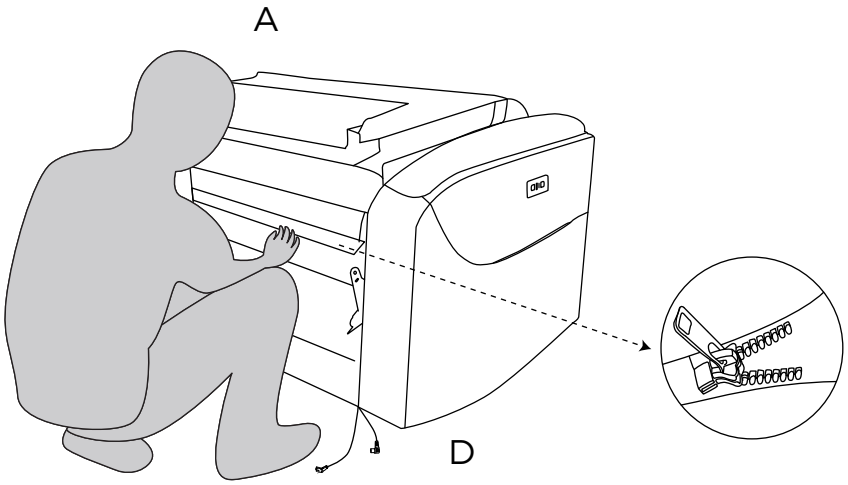

Slide the Right Armrest (C) into the Seat (D). Push down the Right Armrest (C) firmly until it is locked into place.

Note: Do not sit on the armrest after it is installed.

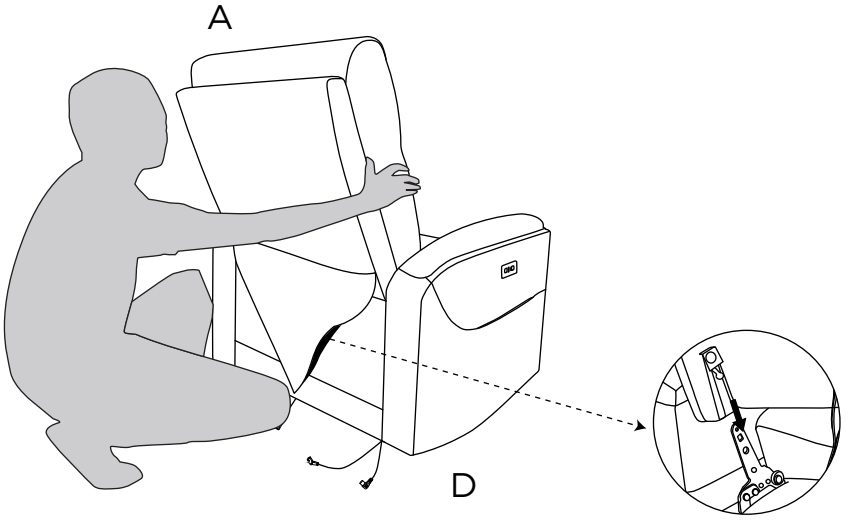

Step 4

Zip up the Backrest (A) and the Seat (D) together.

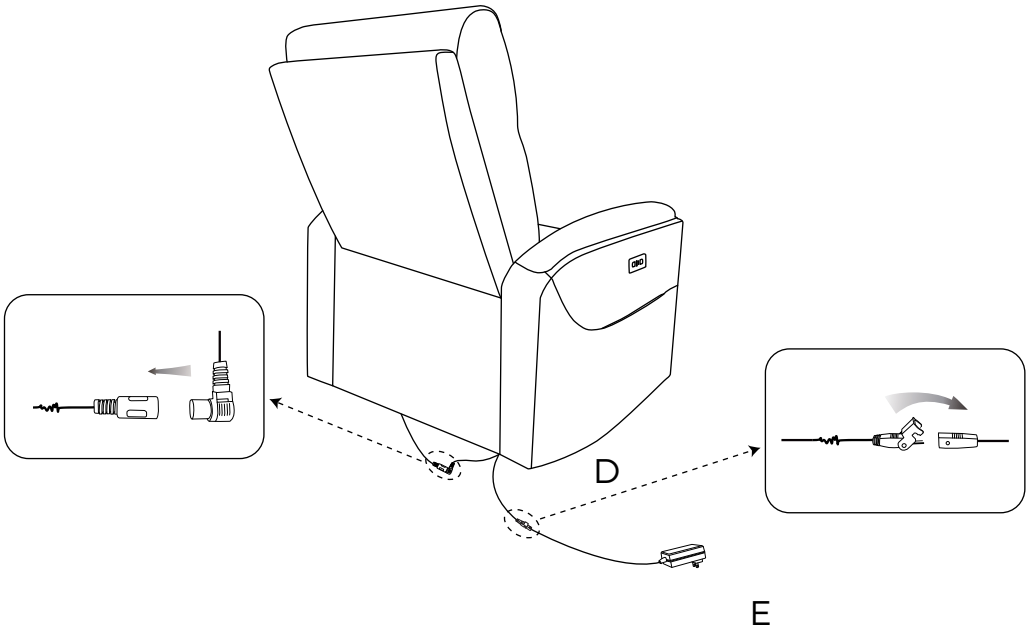

Step 5

Slide the Backrest (A) into the metallic quick connectors of the Seat (D). Push down the Backrest (A) firmly until each side is locked into place and an audible “click” is heard.

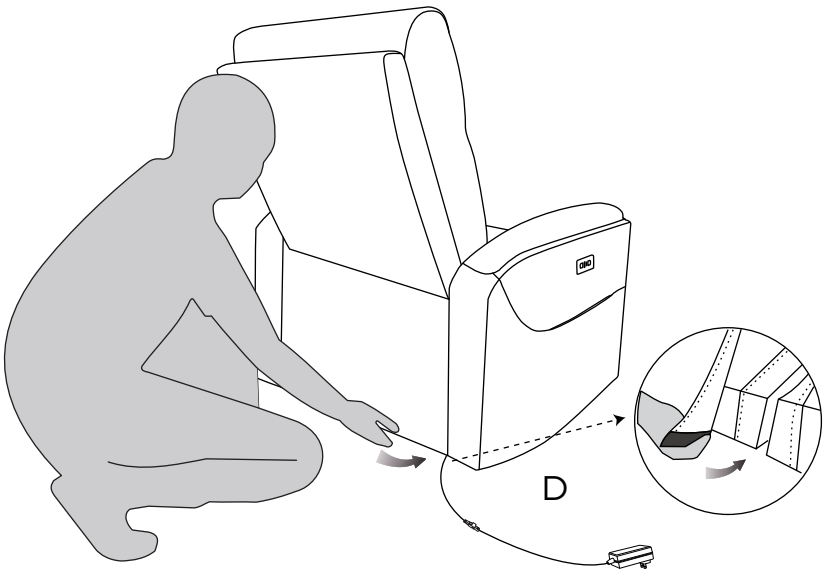

Step 6

Connect the Footrest cable into the Footrest cable. Locate the Power Supply (E) and connect to its corresponding receiver on the base of the Seat (D).

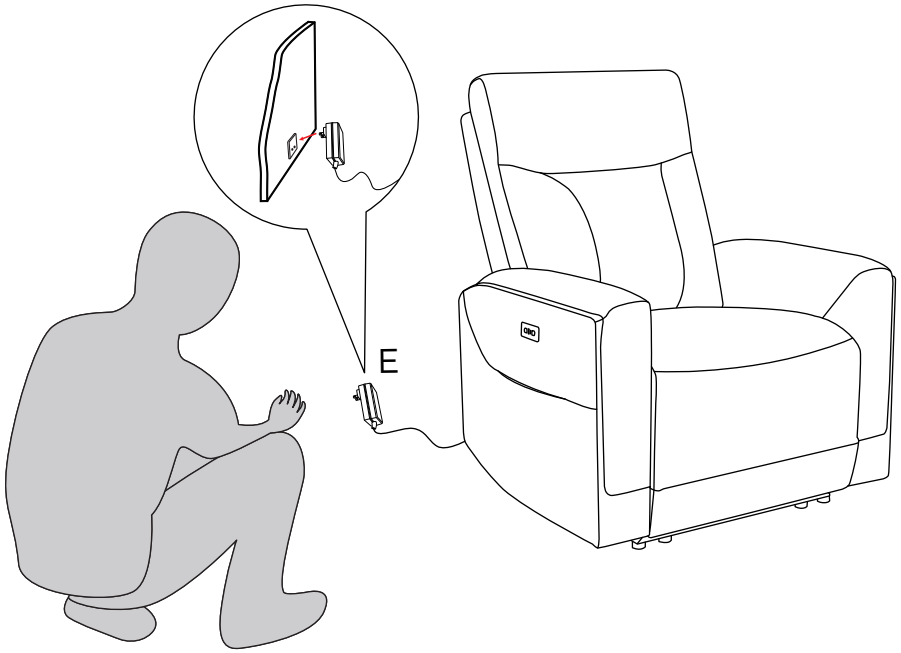

Step 7

Attach the back cover to the bottom of the Seat (D) with Velcro.

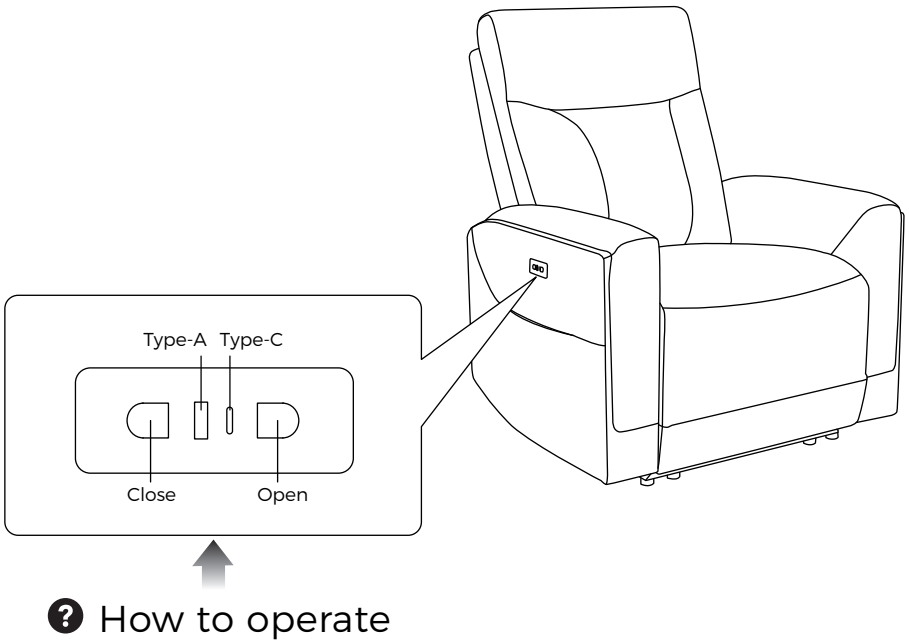

Step 8

Plug the Power Supply (E) into the power outlet. (The indicator light will turn green when the power is connected, and it will go out a few seconds after the power is disconnected.)

Step 9

Now the recliner is ready for relaxation. Then you can start adjusting the recliner using the keys on the outside of the arm.

How to operate
