Step 10

(A) 4x 30mm M8 bolt 	(F) 4x Flat Washer M8X17mm 	(K) 1x M5 allen key 		
--	---	---	--	--

Step 11

Plug the TV power cable into the socket at the bottom of footboard then connect your own media cables as required.

Connect the cables to the television & media equipment making sure the cables are not loose. If necessary use cable ties & cable clips to route cable safely.

When TV is fitted, it is easier to push due to balance of the weight.
When down, power for TV turns off automatically.
When TV is raised, power turns back on automatically

Step 12

 4x Flat Washer M6X16mm	 4x 15mm M4 bolt	 1x M4 allen key		
--	---	---	--	--

Attach TV using the appropriate screws and adjust the sliding vertical arm to sit neatly on top of the TV.

Place the wire cable through the Cable Management Caps to prevent any damage to the wire cable (eg. other power cord) when TV Lift Mechanism is operating.
Make sure the wire cables are long enough to let the TV Lift Mechanism move freely.

Step 13

 6x 45mm M8 bolt	 6x Flat Washer M8X17mm	 6x M8 Nut	 1x M5 allen key	 1x spanner
