Assembly Instructions

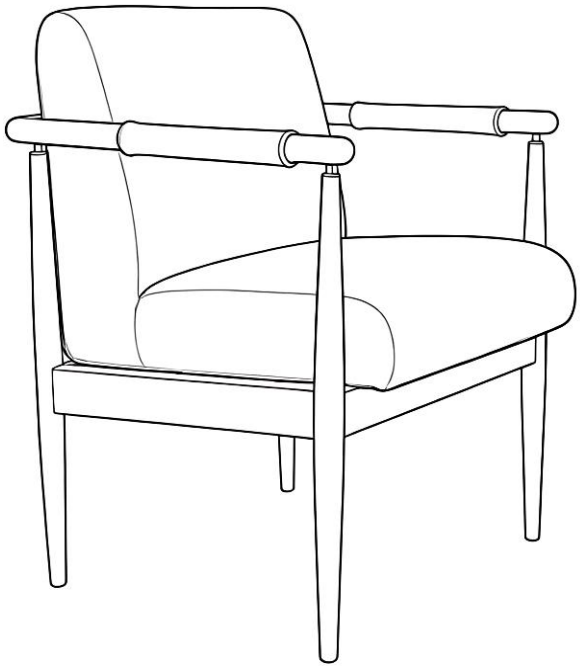

Caution : You must read this before you proceed

Care & Maintenance

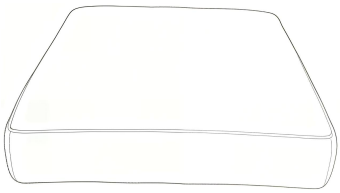

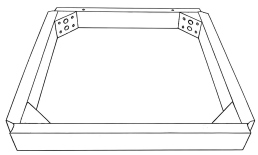

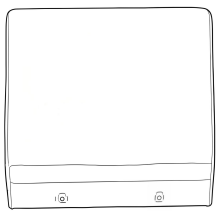

⊘ 	• Not for commercial use. For residential use only.
√ 	• Furniture may scratch floors. We recommend using furniture pads to protect your floors.
⊘ 	• Do not put hot items directly on furniture surface.
⊘ 	• Do not clean furniture with harsh cleansers or polish.
⊘ 	• Do not place furniture under direct sunlight.
⊘ 	• Do not place furniture near heating or cooling vents.
⊘ 	• Do not write on furniture without a padded barrier to protect the surface.
⊘ 	• Do not place furniture outside . For indoor use only.
⊘ 	• Stains may be removed with mild soap solution and damp cloth.
⊘ 	• Children should not climb or jump on the furniture.
√ 	• Dust and pick-up spills using a clean, non-colored, lint-free cloth.

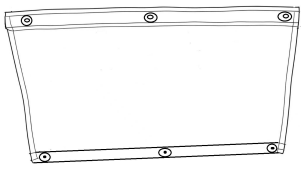

Please look in cardboard box for hardware packs and legs.

DINING CHAIR

Parts List

NO	Picture	Description	QTY
A		Seat cushion	1
B		Seat frame	1
C		Backrest	1
D		Leg	4

E		Right armrest	1
F		Left armrest	1
G		Back support rail	1
H		Armrest connecting bar	2
I		Armrest cover	2

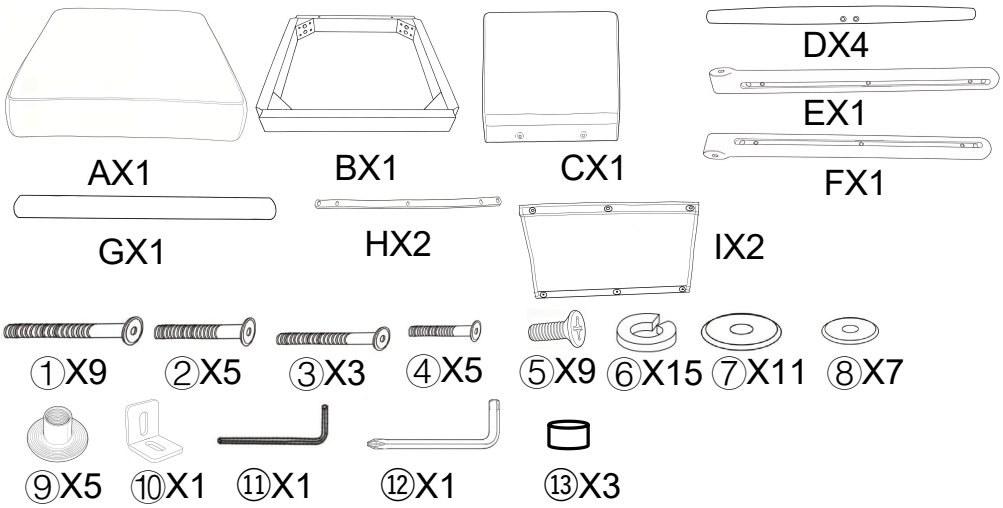

Hardware

NO	Picture	Description	QTY
①		Bolt (M8X80MM)	9
②		Bolt (M8X50MM)	5
③		Bolt (M6X60MM)	3
④		Bolt (M6X30MM)	5
⑤		Bolt (M6X15MM)	9

⑥		Spring Washer	15
⑦		Flat Washer (M8*25MM)	11
⑧		Flat Washer (M8*12MM)	7
⑨		T-nut	5
⑩		L bracket	1
⑪		Allen Wrench(M6)	1
⑫		L-Shaped Hex Wrench	1
⑬		WoodPlug	3

Assembly Preparation

Before Beginning Assembly:

- Read instructions, cover to cover-

- Have 2 adults on hand for assembly-

- Do not assemble on flooring or carpet-

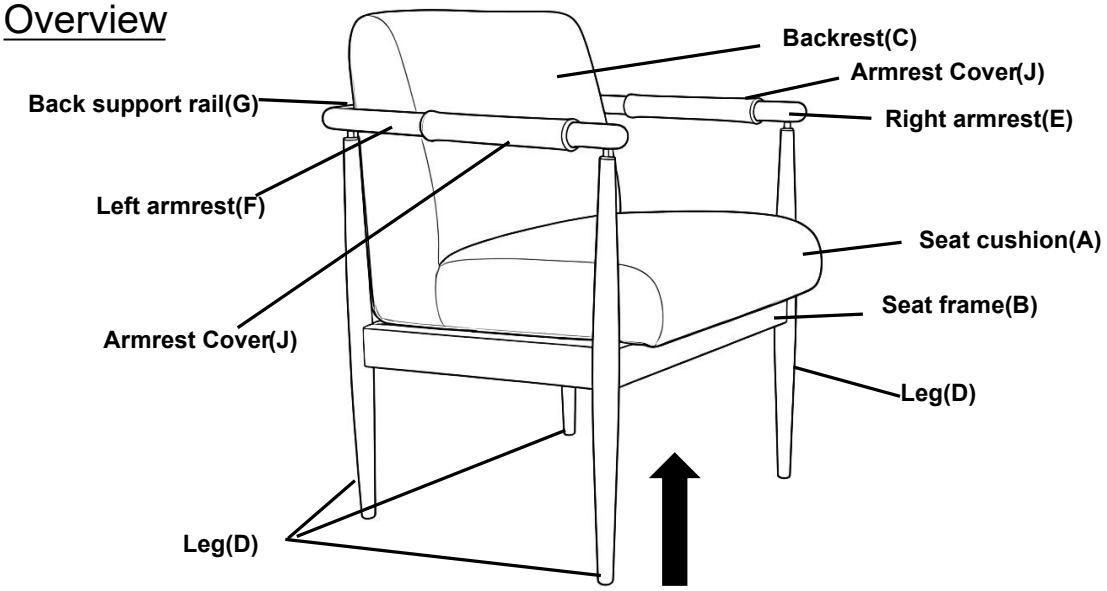

- Assemble on a clean non-marring surface (packing foam)-

- Save all packaging until finished-

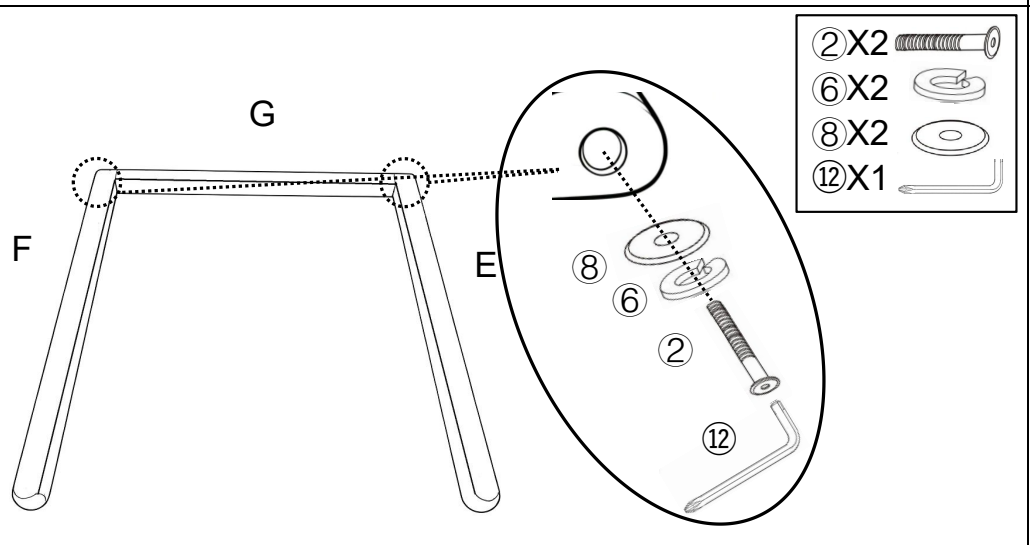

Assembly Steps

Overview

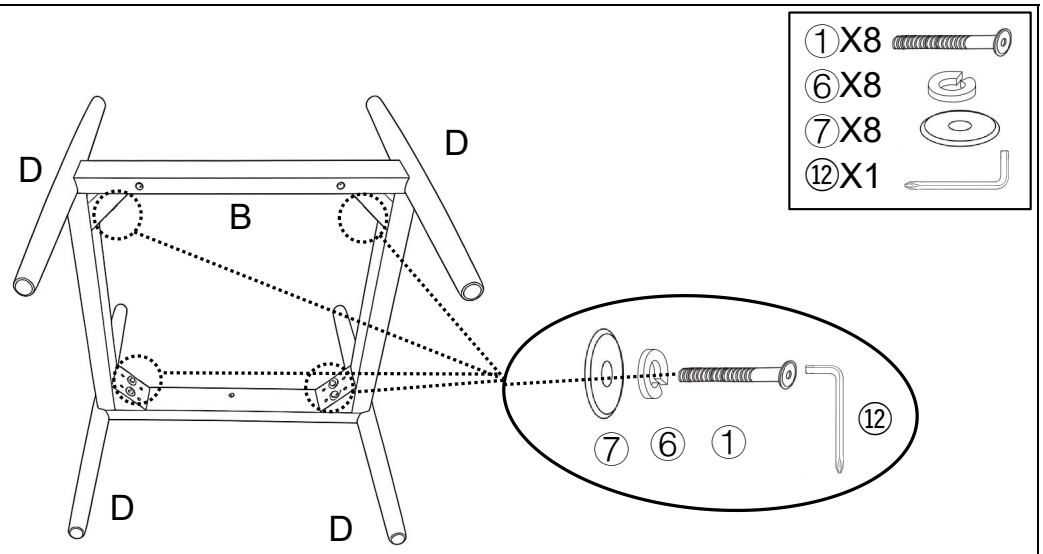

This dining chair has multiple parts and may require up to some 30 minutes to assemble. To give you an overview of the dining chair parts, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

Step 1

Place left armrest (F) and right armrest (E) against back support rail (G), aligning the two holes, then tighten with bolt (②), spring washer (⑥) and flat washer (⑧) using L-Shaped Hex Wrench (⑫).

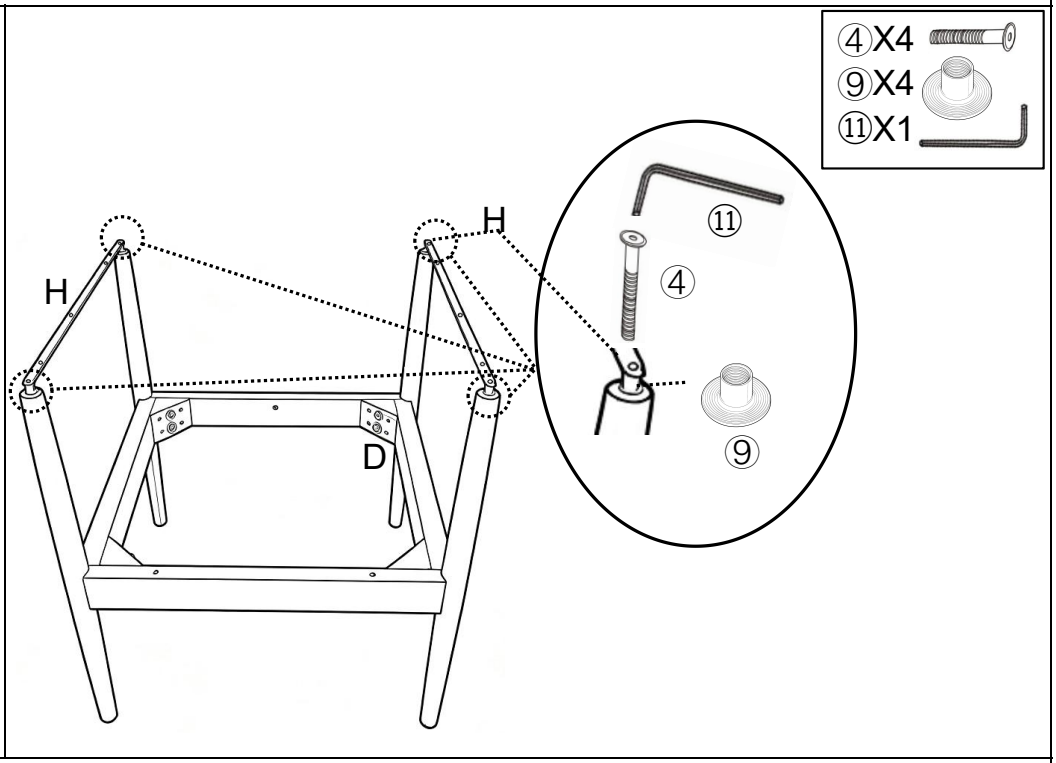

Step 2

Place seat frame (B) upright on a clean soft surface, align four legs (D) with the holes at four corners, then tighten with bolt (1), spring washer (⑥) and flat washer (⑦) using L-Shaped Hex Wrench (⑫).

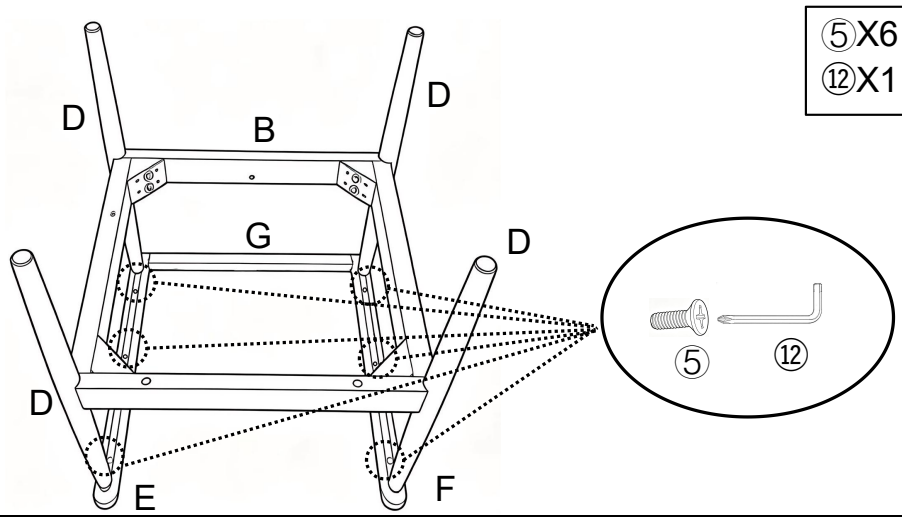

First tighten the bolts to 80% torque, do not fully fasten them.

Step 3

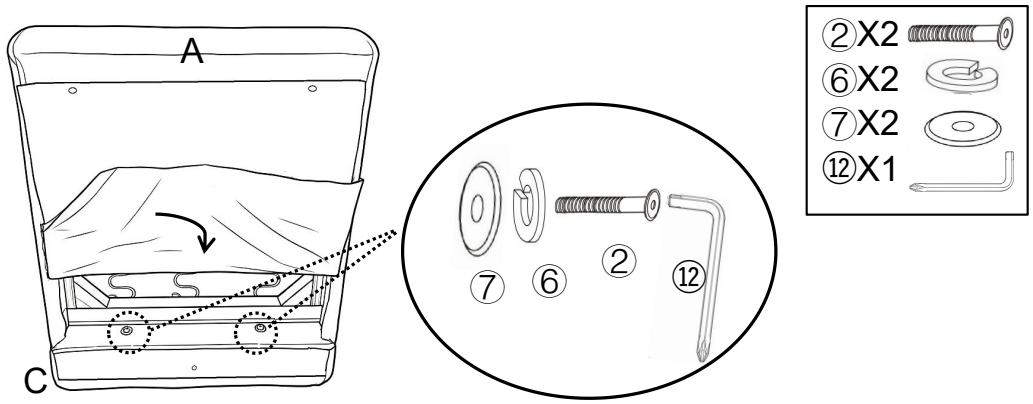

Place the assembled dining chair upright, fit T-nut (⑨) onto the top of each of the four legs (D), then connect them with armrest connecting bar (H) and tighten with bolt (④) using Allen Wrench (⑪).

Step 4

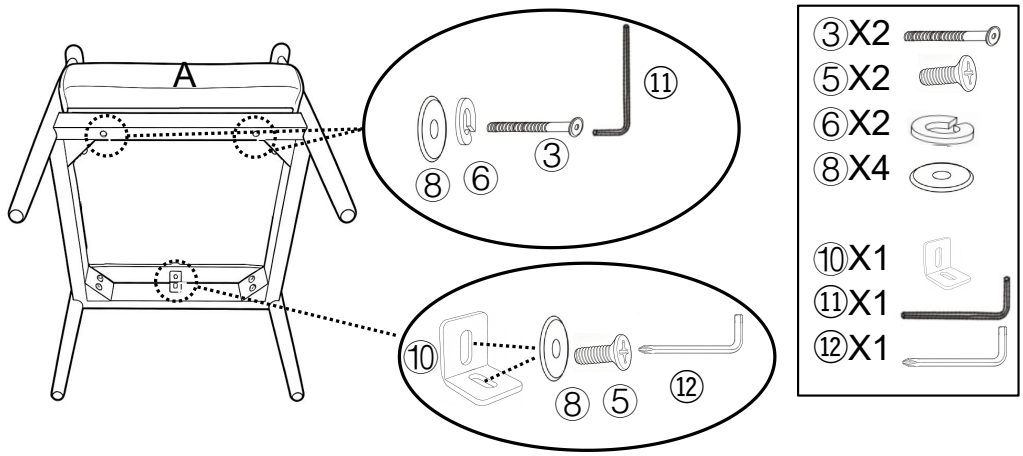

Place the assembly finished in Step 1 upside down on a clean soft surface, insert the armrest connecting bar assembled in Step 3 into the slots of left armrest (F) and right armrest (E), align the holes, then tighten with bolts(⑤) using L-Shaped Hex Wrench (⑫).

Step 5

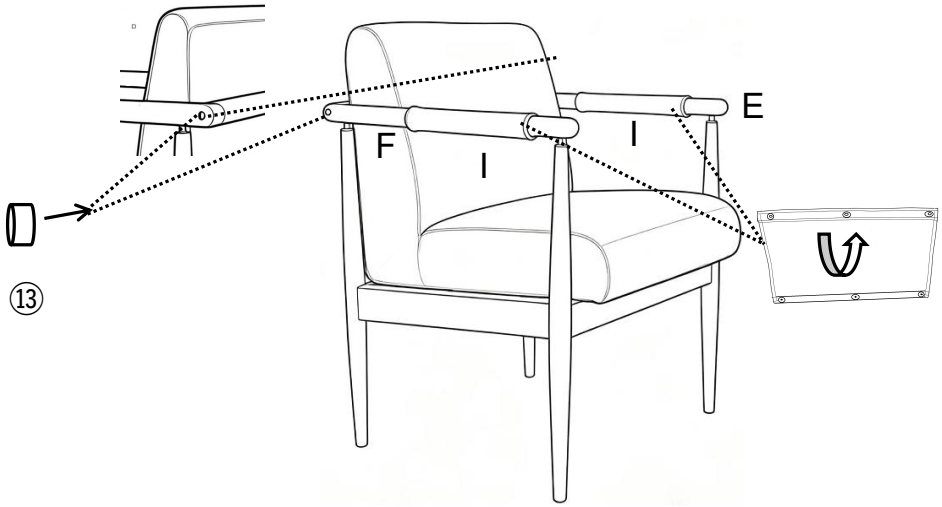

Place the backrest (C) flat on a clean, soft surface, set cushion (A) on top, tighten with bolt (②), spring washer (⑥), flat washer (⑦) and L-Shaped Hex Wrench(⑫), then fasten the cushion base cover with hook-and-loop fasteners.

Step 6

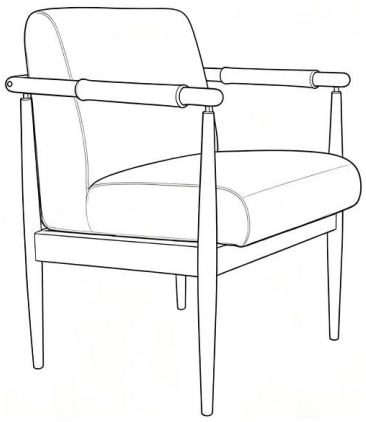

Place the assembled chair support from Step 4 upside down on a clean flat surface. Place the assembled backrest (C) and seat panel (a) from Step 5 onto the seat frame (B), and align the two holes. Insert bolt (③), spring washer (⑥) and flat washer (⑧), then tighten them with Allen wrench (⑪).
Install L-bracket (⑩) at the bottom using screw (⑤) and flat washer (5), and fasten securely with L-Shaped Hex Wrench(⑫).
Then fully tighten the bolts which were left at 80% tightness in Step 1 to 100%.

Step 7

Place the assembled dining chair upright. Wrap the armrest covers (I) around the armrests with snap buttons, then place the wood plugs (⑬) into the holes of the armrests assembled in Step 1.

Step 8

Your dining chair is ready for use.
This dining chair should only be used on flat, level surfaces.

Questions & Answers about Proposition 65

• What is Proposition 65?

Proposition 65 requires businesses to provide warnings to Californians about significant exposures to chemicals that cause cancer, birth defects or other reproductive harm. These chemicals can be in the products that Californians purchase, in their homes or workplaces, or that are released into the environment. By requiring that this information be provided, Proposition 65 enables Californians to make informed decisions about their exposures to these chemicals.Proposition 65 also prohibits California businesses from knowingly discharging significant amounts of listed chemicals into sources of drinking water.Proposition 65 requires California to publish a list of chemicals known to cause cancer, birth defects or other reproductive harm. This list, which must be updated at least once a year, has grown to include approximately 900 chemicals since it was first published in 1987.• What types of chemicals are on the Proposition 65 list?The list contains a wide range of naturally occurring and synthetic chemicals that include additives or ingredients in pesticides, common household products, food, drugs, dyes, or solvents. Listed chemicals may also be used in manufacturing and construction, or they may be byproducts of chemical processes, such as motor vehicle exhaust.

• What does a warning mean?

If a warning is placed on a product label or posted or distributed at a workplace, a business, or in rental housing, the business issuing the warning is aware or believes that it is exposing individuals to one or more listed chemicals.By law, a warning must be given for listed chemicals unless the exposure is low enough to pose no significant risk of cancer or is significantly below levels observed to cause birth defects or other reproductive harm.• Where can I get more information on Proposition 65?If you have specific questions on the administration or implementation of Proposition 65, you can contact OEHHA's Proposition 65 program at P65.Questions@oehha.ca.gov, or by phone at (916) 445-6900.
