PLEASE NOTE that wall fixings are not supplied as different wall materials require different fixing devices. You must use fixings devices suitable for the type of wall you intend to mount product to. Ensure the head of any screw used has a diameter greater than the mounting hole and the fixing is safe and secure before use.

WARNING!

In order to prevent overturning this product must be used with the wall attachment device provided. Serious or fatal crushing injuries can occur from furniture tipping over. To help prevent topple over:-

- Use the wall attachment devices provided
- Never allow children to climb or hang on drawers or doors
- Do not overload the drawer beyond maximum recommended loading
- Place heaviest items in the lower drawers or shelves
- Unless specifically designed to accommodate, do not set TV's or other heavy objects on top of this product
- Never open more than one drawer at a time
- Do not hang things from the doors

An attachment device is provided with your product, however you will need to source suitable fixings for your wall type. If in doubt consult a qualified trades person.

Always ensure that the wall to be drilled into is free from hidden electrical wire, water and gas pipe.

Birlea Furniture advise that the wall straps provided should be used to further enhance the safety of this product.
