Assembly Instructions

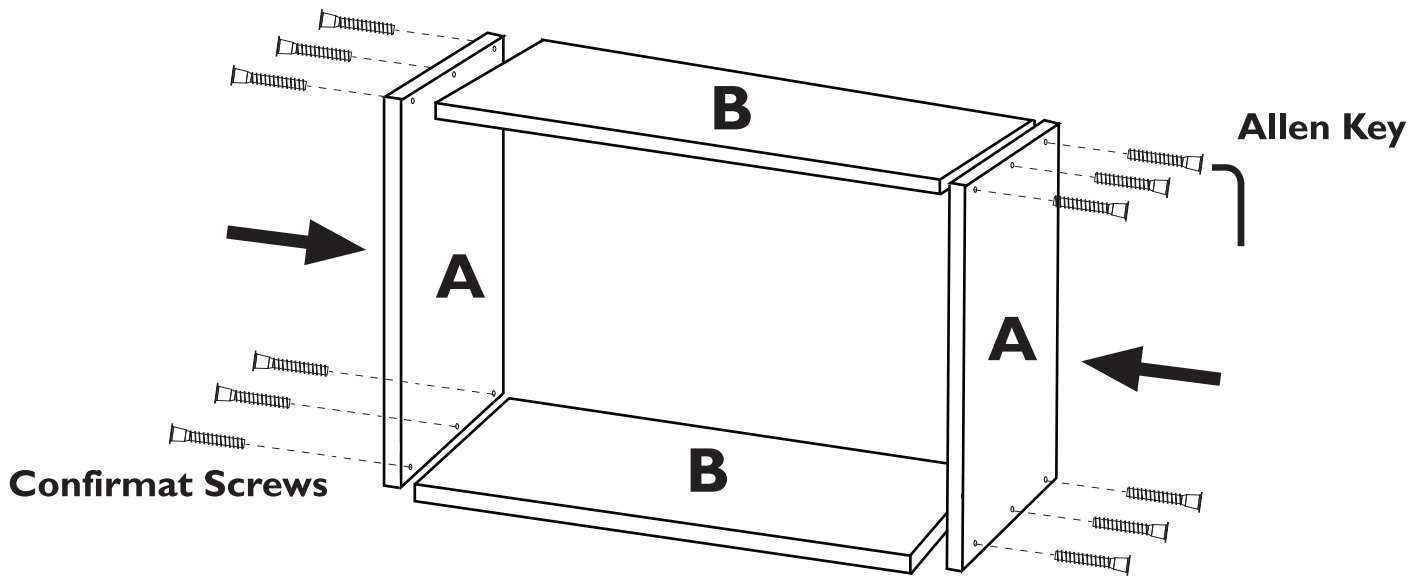

Before starting to assemble this unit please read the step by step assembly instructions carefully.

Components**Quantity****Confirmat Screws****12****Screw Caps****12****Trims****7****3/4" Nails****40****Allen Key****1****Panels****Quantity****Size (mm)****2****598x300mm****2****704x300mm****3****593x243mm**

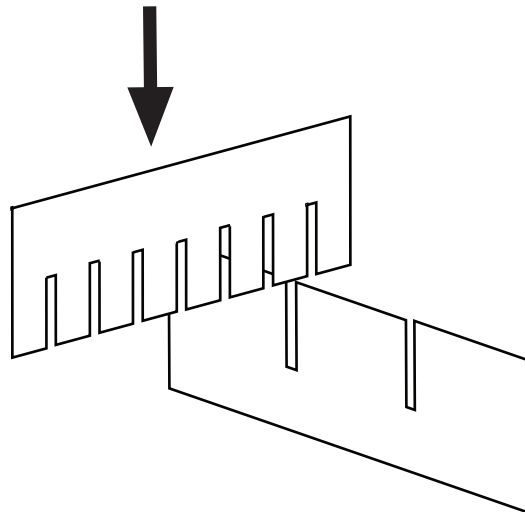

Step 1

Secure ends A to top and bottom using (12) Confirmat Screws.

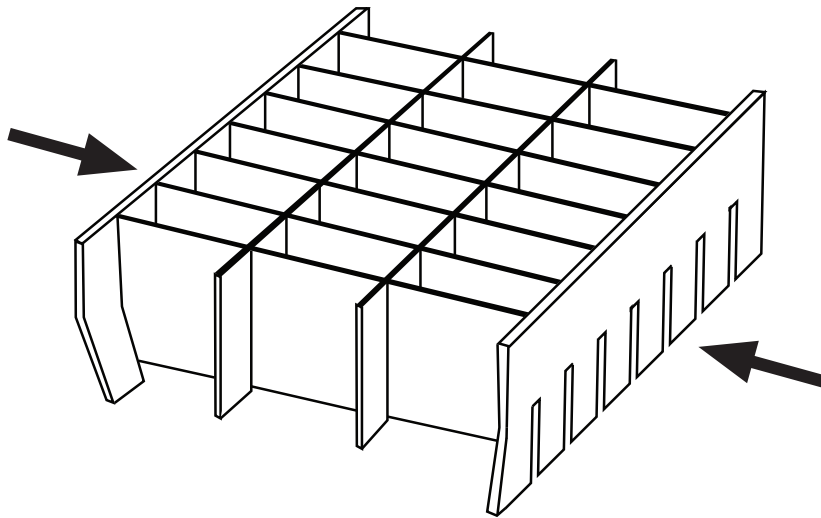

Step 2

Slot cardboard partitions together as shown.

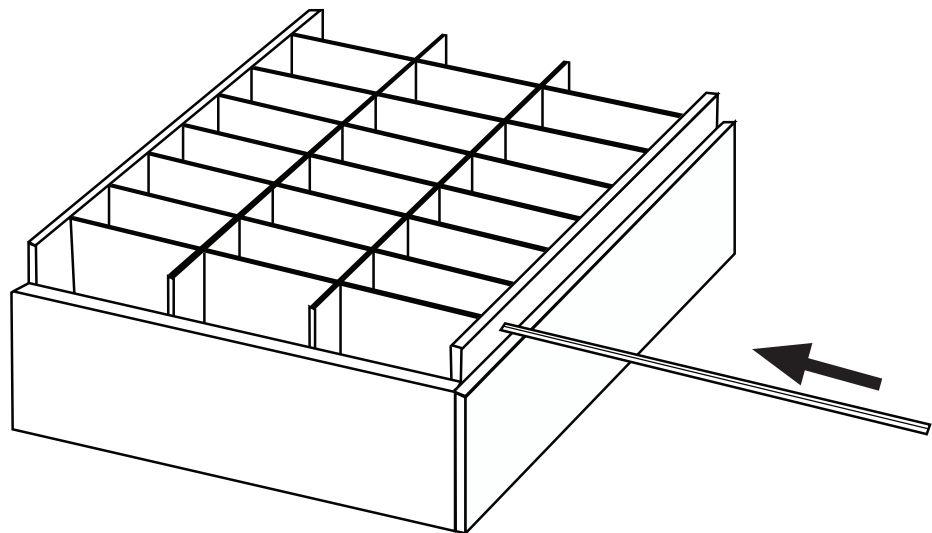

Step 3

Position end partitions - flex partition 'tails' inwards.

Step 4

Position unit face up on floor. Lower partition assembly into the unit and slide a channel on to partition before partition is flush with ends.

Step 5

Carefully turn unit over. Position back panels as shown and secure with nails.
