

Step:7**ASSEMBLY AND INSTALLATION INSTRUCTIONS**

WARNING: TO AVOID RISK OF ELECTRICAL SHOCK, BE SURE TO SHUT OFF POWER BEFORE INSTALLING OR SERVICING THIS FIXTURE.

NOTES: 1. Before installing, consult local electrical codes for wiring and grounding requirements.
2. READ AND SAVE THESE INSTRUCTIONS.

Installation Steps

Turn off the power at fuse or circuit box

Step1: Twist out the metal mono connector as shown

Step2: Install the 2-in-1 light stand on the pre-determined holes of the light gu according to the diagram, and fix and lock it with screws.

Step3: Twist the metal single connector onto the lamp body as shown in the diagram

Step4: Attach the metal shelf as shown and lock it in place with the supplied fittings.

Step5: Installation of a metal inner tooth tube

07. Install the disk on the inner tube according to the diagram

Step6: Install E12 bulb (not included). Check relamping label at socket area or packaging for maximum allowed wattage.

Step6: Installation of decorative glass flowers

1 As shown in the picture, attach the glass flower decoration to the lamp body.

2 Secure the ornament from the bottom using the provided nuts to prevent loosening.

3 Check overall symmetry and adjust if necessary.

Step7: Attach the Mounting Bracket to the outlet box by using two mounting screws.

①. Pull out the source wires from the outlet box. Make wire connections using wire nuts as follows:
---Connect the hot wire (usually black insulation) from the fixture to the black wire from the power source.

---Connect the neutral wire (usually white insulation) from the fixture to the white wire from the power source.

---Attach the fixture grounding wire (usually bare wire) connect it to the house grounding wire with the wire nut.

--- Carefully put the wires back into the outlet box.

②. Attach the fixture body to the Mounting Bracket by inserting Fixture Screws into holes on back plate, and then secure it with two ball nuts.

Attention

1. Please install it by a licensed electrician.

2. Due to the different display, the actual color can be different from the image.

3. Due to the manual measurement of lamp body size, there may be a deviation of 1/2 inch

4. If there any quality problem, missing parts or other something wrong of the item, please feel free to contact us and we will try our best to help you.
