

Kalla Sideboard

111306

The Kalla Sideboard brings form and function to life. Crafted with a charcoal oak wood and oak veneer with vertical reeding. Matching brushed gold steel base and handles finish the look. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
