Tips

- If there are missing and/or defective part(s) after receiving the product, please stop assembling and contact us for help in time.
- Please assemble the product on a spacious place. But please do not place the unpackaged product on the ground directly, or stand/sit on the parts of this product to avoid cracking or deforming of the board. In addition, it is highly recommended that you wear gloves to avoid being cut by the edges of the product during installation.
- It is recommended that you refer to the schematic diagram to make the whole installation process easier when assembly. Align all the screws to the corresponding pre-drilled holes first, and then tighten the screws one by one after all the parts are in the correct position.
- Do not expose the product to direct sunlight or rain and/or place it in a damp place. Failure to do so may accelerate deformation, discoloration, or cause cracks. Please do not touch sharp objects or corrosive chemicals, which may damage the surface of the item.
- Please clean with a damp cloth for daily maintenance, then dry immediately.

Warnings:

- Do not intended for use by children under 3 years old. Please keep any small parts out of the reach of children during the assembly process. Children must be under adult supervision to use the product.
- Please put this product on flat ground. It is strictly prohibited to sit or stand on the product.
- It is forbidden for children to climb or play on the product to avoid serious bodily injury caused by the toppling.
