

Model #DV-1DS0332

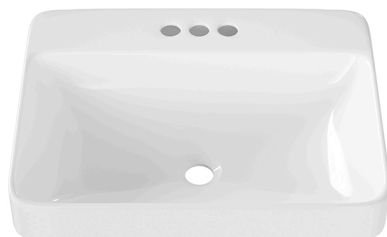

Overall Dimension: 23 13/16" L x 18 7/8" W x 6 11/16" H

Features:

- Made from high-quality ceramic using a high-temperature calcination process, this sink is highly durable, maintaining a fresh and clean appearance over time without cracking or staining.
- Multiple faucet hole options allow for flexible faucet setups, with this model featuring a 4-inch 3-hole configuration and other options available to meet diverse needs.
- Thick glazed surface ensures easy cleaning and low water absorption. The built-in overflow hole prevents accidental water spills, keeping your bathroom neat and tidy.
- Semi-recessed drop-in design with pre-drilled holes makes installation quick and effortless, while optimizing countertop space and creating an elegant centerpiece.
- Designed with sleek lines and a modern aesthetic, the sink enhances any contemporary bathroom decor.

Package Included:

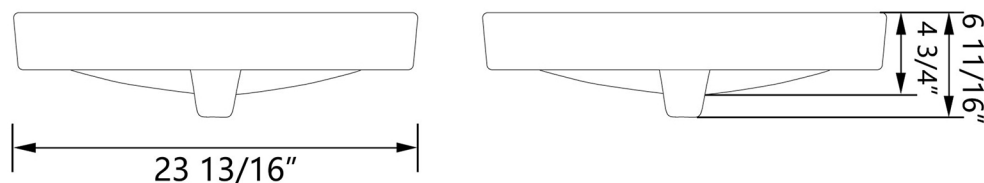

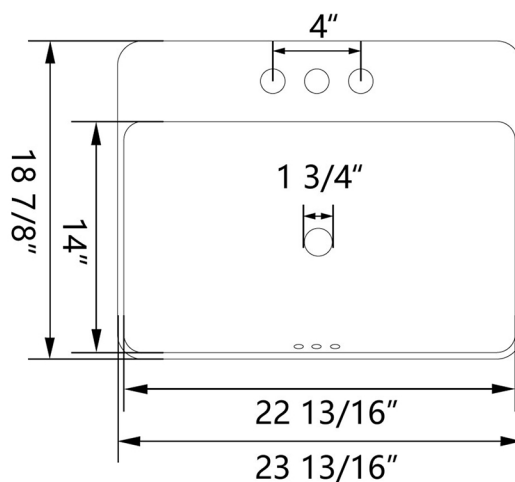

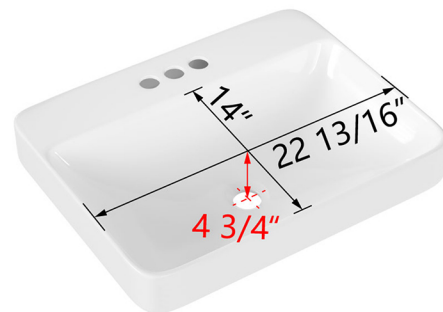

• Drop-in Sink

• User Manual
