All Accessories for Installation

Application

With an illuminated area of **53.82-107.64ft²**, it is suitable for the dining room, living room, bedroom, girls' room, children's room, corridor, kitchen, hotel, etc.

Notes

1. Please check the product size before ordering to make sure it fits your room.
2. Please use the lamp within the applicable voltage range and clean it regularly. Please cut off the power supply when you clean the light. Please wipe with a soft cotton cloth and do not use household cleaning agents.
3. To ensure your safety, we recommend that two people install this lamp together. Please install it by someone with an electrical license if necessary.
4. When using and storing, do not close to the fire source. Please avoid direct cleaning with water and exposure to sunlight.
5. Please note that the bulbs are not included and you will need to purchase 4 E27 bulbs yourself. Please note that the brightness and the illumination area depend on the power of the lamp.
6. Please wear electric insulation gloves (not included) and avoid scratching the surface of the lamp when installing. Please make sure that the power supply has been cut off before installation, and conduct a power test before installation.
7. Please read the manual completely before use, and pay particular attention to the safety instructions included.
8. Please allow the slight color difference caused by the shooting light and 1-3 cm error due to manual measurement, and make sure you do not mind before ordering.
