LA MODA DISPLAY UNIT BRIDGE

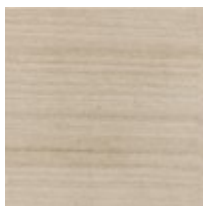

m131-421-263

COLLECTION: LA MODA

DIMENSIONS: 74W x 17D x 13.25H

Merging form and functionality, this bridge takes entertainment to the next level. Simple in form, its minimalist design gives light to the natural beauty of wood, framed by metal trim in a Smoked Stainless Steel paint. Lift-front door panels neatly conceal overhead storage space. Pairs with our customizable La Moda Base and Pier display units, that when fully assembled can accommodate an 82" television or smaller. Bridge requires a pair of Pier display units from which to suspend.
