

HAZEL SCONCE

Classic and contemporary, the Hazel makes a subtle yet sophisticated statement in a space. Fluted clear seeded glass is cut at an angle for an unexpected update to its simple form, while an antique brass backplate stairsteps its way up to a solid natural iron band that centers this piece. Perfect for a powder room. Hang vertically for a more traditional look or horizontally over a powder room mirror. Finish will vary. Damp rated, though limited outdoor conditions may affect finish.
