

PRODUCT WARRANTY INFORMATION.

Lékué strives to meet the highest quality levels and expectations, to ensure that each product sold has a long and functional life span.

The warranty period for this product is 5 years. During the guarantee period, Lékué will repair free of charge any defects in items which can be ascribed to material, construction and/or manufacturing faults or will replace the item or the defective parts of the item at its discretion.

We guarantee that this product is free of any material, construction, or manufacturing errors.

The warranty includes the free replacement of the product or the parts which have been found to be defective, within the stated warranty terms.

The warranty lapses if:

- The warranty period has expired, based on the date the product was purchased by the consumer.
- The complaint is the result of improper use of the product.
- The complaint is the result of an attempt to repair or modify the product.

The guarantee period commences on the day of purchase and is only valid on production of proof of purchase of the item. The proof of purchase must conclusively indicate the date of purchase and the retailer's name. The guarantee is valid in the country of purchase and in accordance with local legislation.
