3

This diagram illustrates the third step of the assembly process. It shows a shelf (5) being attached to a cabinet frame (7). The shelf is positioned above the frame, and two large black arrows indicate the direction of movement. A small inset shows a close-up of the shelf's end, labeled 'U' and 'R', with a dashed line indicating the position of a screw. Another inset shows a close-up of the shelf's end, labeled 'R', with a curved arrow indicating the direction of movement. The main assembly is labeled with '6' for the cabinet frame, '5' for the shelf, and '7' for the cabinet frame. A screw labeled 'A3 x2' is shown being inserted into the shelf. A large black arrow points to the right, indicating the direction of movement for the shelf. A small inset shows a close-up of the shelf's end, labeled '1', with a curved arrow indicating the direction of movement.
