

Guide of Manual

- ★ Thanks for your choice. **We will do our best to provide customer service for everyone.**
- ★ Please check to make sure all parts are included as stated when you unpack. If there are parts missing or wrong, please contact us, **we will expeditiously provide reissue accessories, compensation or other services.**
- ★ Instruction should be read carefully. But the manual may not cover every detail of all possible situations and steps. **Please contact us if further information and help are needed. We will respond in a timely manner.**

Warning

- It's kindly advised to assemble this product on a carpeted floor to protect it from being scratched.
- Small parts are included. Please keep the product away from children while assembling. Do not let children play or jump on the product. Do not stand on the item or use as a step ladder.
- Please pay attention to the sharp corners during assembly. We recommend the use of gloves to prevent the undesired injury.
- Prior to use, please check to see if there's any loosening screw or part. Make sure that each screw and part is correctly installed and securely fastened.
- It's unnecessary to use electric drill. Please at a low gear if you need.

Care and Maintenance

- Use a soft, clean cloth that will not scratch the surface when dusting.
- There's no need to use furniture polish. If you need, test it first in an inconspicuous area. Using solvents of any kind on your furniture may damage the finish. Never use water to clean your furniture as it may cause damage to the finish.
- Liquid spills should be removed immediately. Gently blot the spill with a soft clean cloth to avoid rubbing.

Further advice about the furniture care

- It is best to keep your furniture in a climate-controlled environment.
- We recommend to keep furniture from sunlight exposure to avoid possible surface damage.
- Following these important and helpful tips will help retain your furniture's performance even when it ages.
- Periodically (every 90 days) make sure the screws are fully tightened.

**MAX WEIGHT CAPACITY: 350LBS
DO NOT STAND ON THE ITEM**

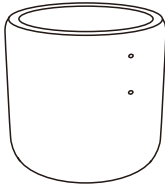

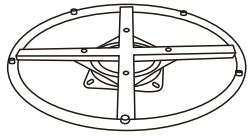

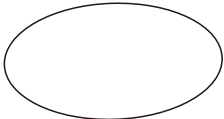

Returns and Warranty Policy:

- We are committed to providing the highest quality products and do our utmost to meet the needs of every customer who places an order, offering replacement parts or after-sales service when necessary.
- If the item is damaged or defective, please take photos as proof for a replacement or refund.
- If you have any questions about this product, please contact the seller.

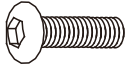

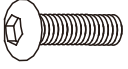

Parts List and Assembly Instructions

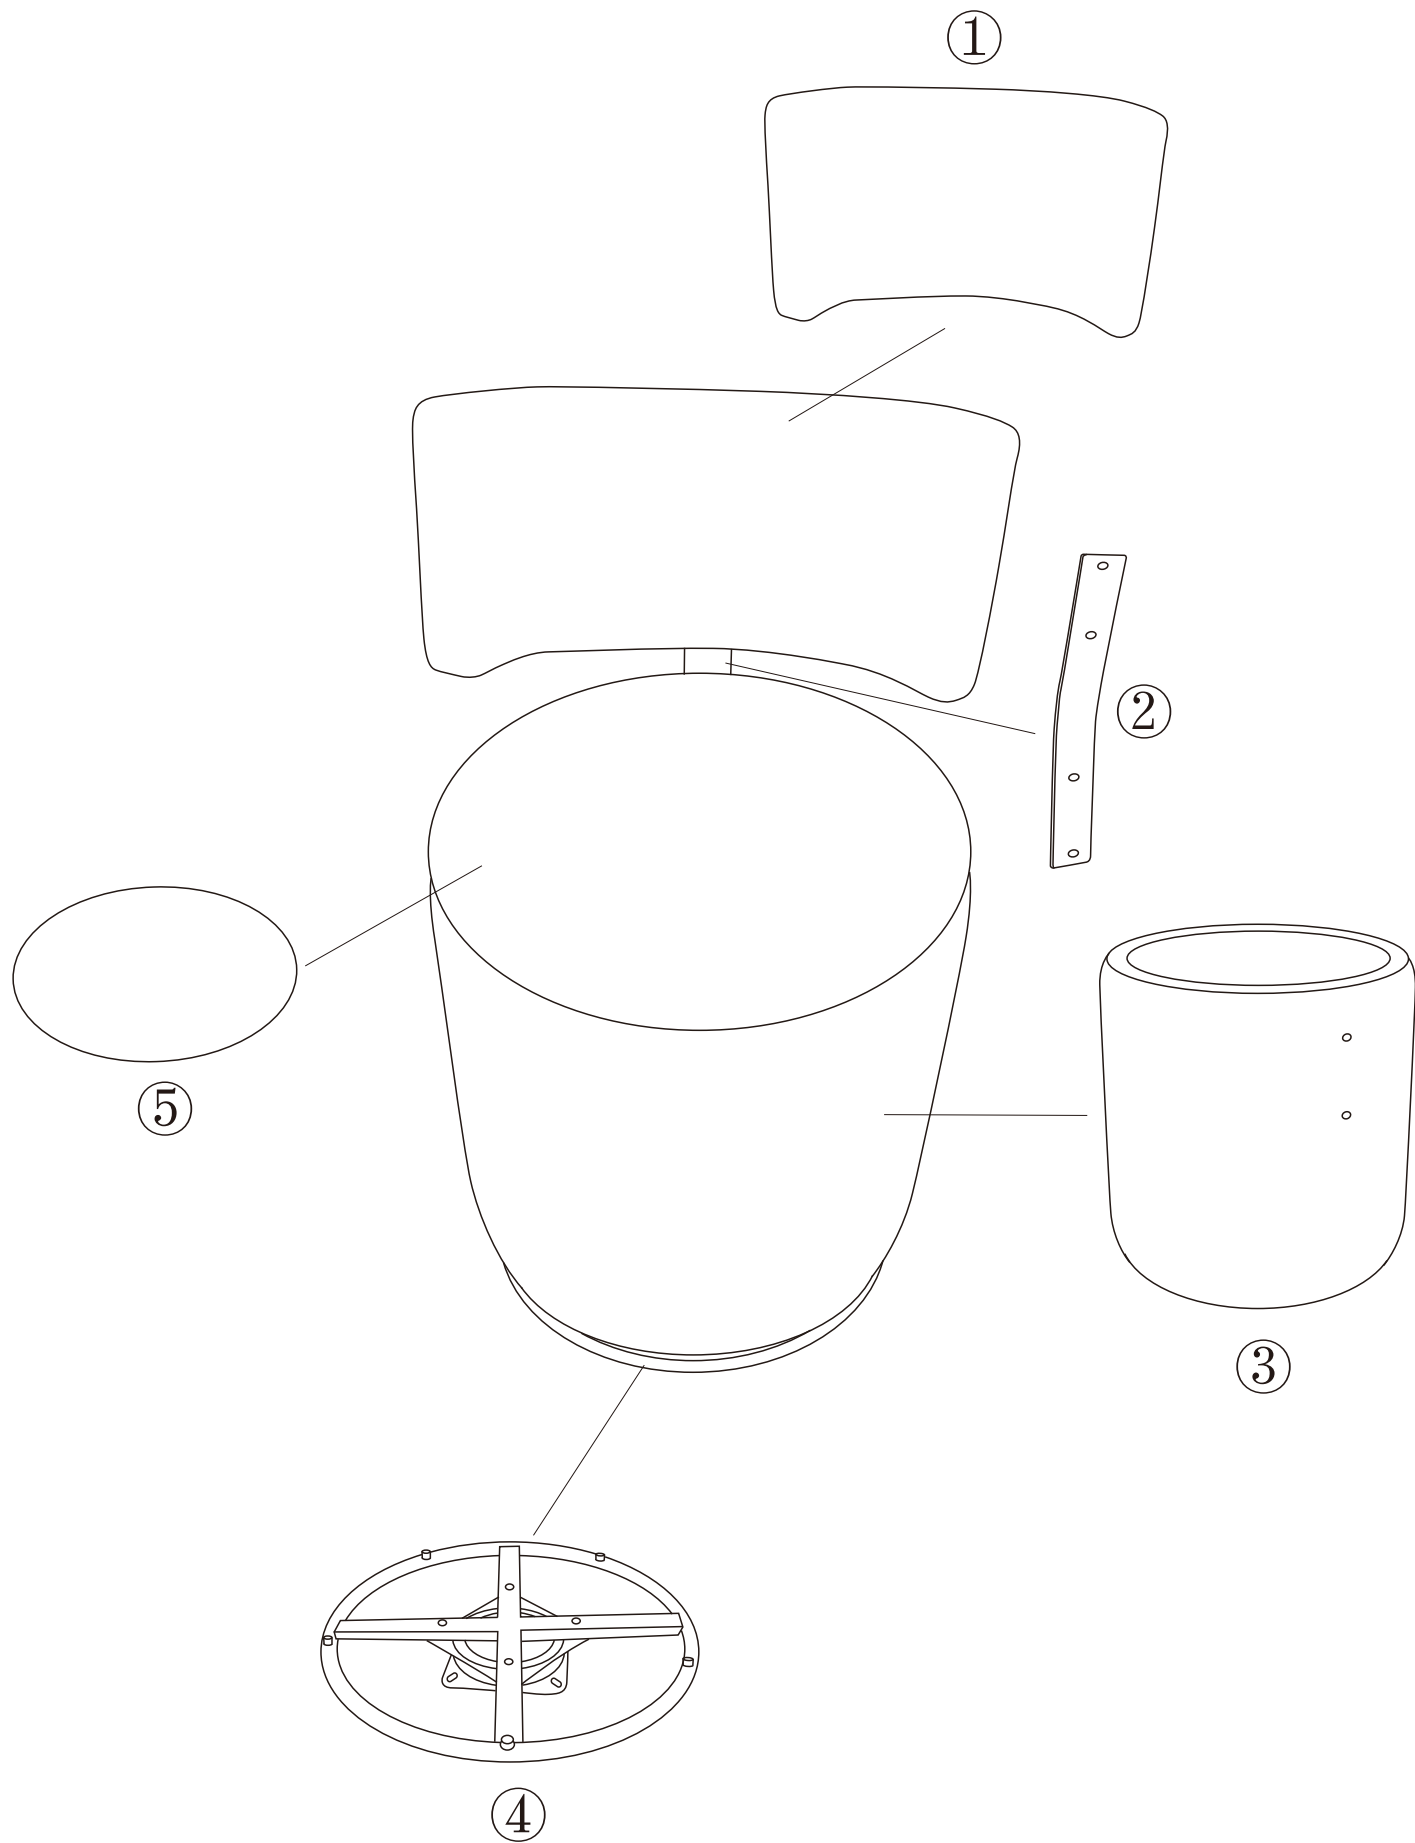

1. Before beginning assembly, please verify that all parts are included in the package.
2. Do not tighten all bolts until you have installed them in their respective positions.

Parts List

⑤ x1 			

Hardware List

A x4 Bolts M6*20mm 	B x4 Bolts M6*30mm 	C x1 Allen Wrench 	Spare parts Ax1 Bx1  
--	--	--	--

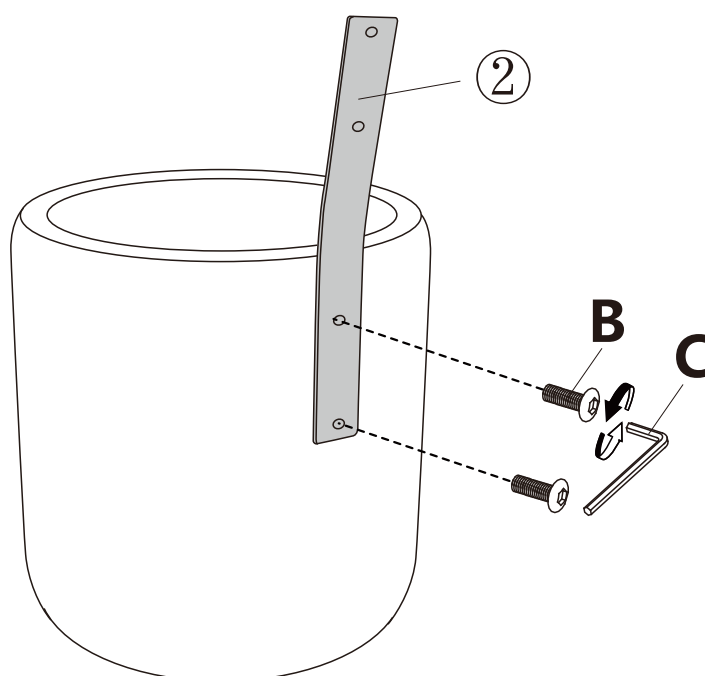

Step 1

Ax4	
Cx1	

Use Tool C and Screws A (4 pcs) to assemble the swivel base to the chair, and tighten Screws A to 80% of their maximum torque. Once screws A(4 pcs) are aligned with all the holes in the swivel base and the chair, tighten them to 100% of the maximum torque.

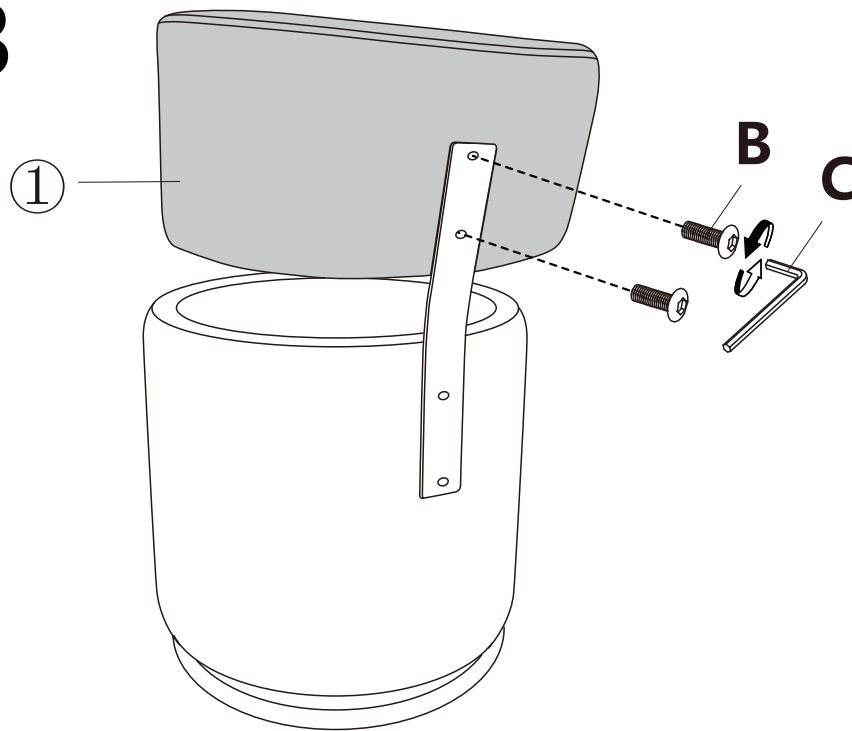

Step 2

Bx2	
Cx1	

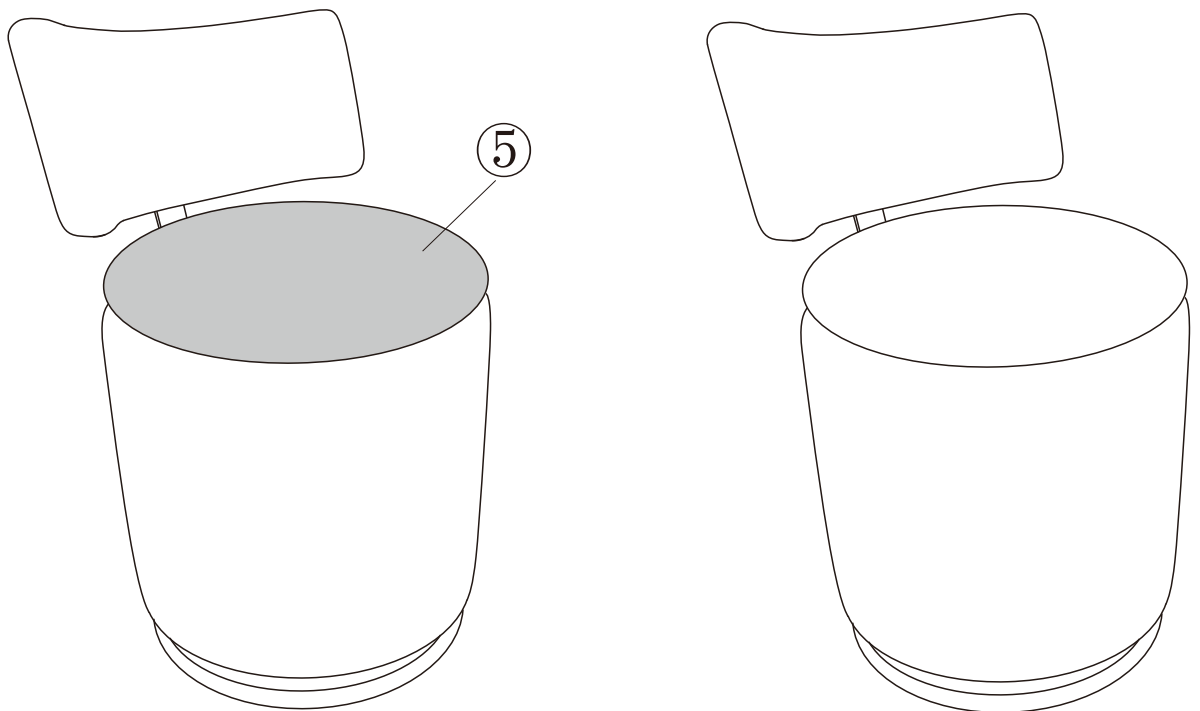

Use tool C and screws B (2 pcs) to assemble the connecting rod to the chair, and tighten screws B to 80% of the maximum torque.

Step 3

Use tool C and screws B (2 pcs) to attach the chair back to the connecting rod, and tighten screws B to 80% of the maximum torque. Once screws B (4 pcs) are aligned with all holes in the connecting rod, tighten them to 100% of the maximum torque.

Step 4

Place the cushion on the chair to complete assembly.
