

PLJW 185 Struggling to find space in your kitchen for a range hood? The low-profile, 5-inch-tall PLJW 185 under cabinet range hood is designed just for you. At only five inches in height, it still delivers powerful ventilation up to 600 CFM. Now available in both classic stainless steel and sleek black stainless, this hood offers modern style without sacrificing performance. Control it easily with durable stainless steel push buttons, and enjoy bright, energy-efficient LED lighting. With dishwasher-safe baffle filters and one of Proline's most affordable price points, the PLJW 185 remains a best-seller for its unbeatable balance of power, size, and value!
