- * ENSURE YOU HAVE ENOUGH ROOM FOR CONSTRUCTION.
- * PACKAGING MAY BE USED TO PROTECT PRODUCT DURING ASSEMBLY.
- * NOT SUITABLE FOR USE IN AREAS WITH HIGH HUMIDITY – eq. BATHROOMS.
- * MINIMUM OF TWO PEOPLE ARE REQUIRED TO ASSEMBLE THIS PRODUCT.

CARE INSTRUCTION

This product care will guide you on the best way to care for your product to maximize their guaranteed life. Protect from direct sunlight. The location of your product can affect its durability, thus placing it too close to high-temperature appliances can increase the risk of scorching damage or discoloration and placing the item where it can touch external walls can create moisture build-up. Sharp objects and even the claws of your pets can tear, scratch or break the product.

- * Periodically wipe clean with a soft dry cloth and/or non-abrasive cleaner.
- * Do not rub or scrub the surface when cleaning.
- * Take precautions in using vacuums and use low suction as much as possible to maintain product integrity.
- * Do not strike the material with hard or pointed items.
- * Do not use abrasive and harsh cleaning products.
- * Do not sit or stand on products otherwise indicated.
- * If liquid spills do occur, wipe or blot with dry clean cloth as soon as possible.
- * Avoid direct and continuous exposure to sunlight.
- * Care must be taken in using coloured cleaning materials as it may transfer or stain products.
- * Always follow cleaning product guide/manual on any cleaning product used.
- * Dragging, pulling, and dropping any product is not recommended.
- * Do not place items with extreme temperature on the product as it may cause brittleness.

ASSEMBLY PARTS

| | | | |
|-----------|---------------|--------------|--------|
| Table-top | 4 Wooden legs | Bottom Shelf | 4 Feet |
|-----------|---------------|--------------|--------|

STEP 1: Turn table-top upside down, so it is lying flat on the floor, make sure the ground is clean and smooth.

STEP 2: Slightly screw one leg to the bottom of the table-top and gently tighten the leg. Do not screw the leg too tight.

STEP 3: Slightly screw the other three legs to the bottom of the table-top and gently tighten the legs. Do not screw the legs too tight.

STEP 4: Put the bottom shelf over the end of the four legs, slightly adjust the wooden legs so the screw holes on the legs are lined with the holes on the bottom shelf.

STEP 5: Slightly screw one foot through the bottom shelf to connect with the wooden leg.

STEP 6: Slightly screw the other three feet through the bottom shelf to connect with the wooden legs.

STEP 7: Now turn the table up to right side. If the table is not stable enough, please adjust the legs and feet to make it stable.
