ASSEMBLY AND INSTALLATION INSTRUCTIONS

WARNING: TO AVOID RISK OF ELECTRICAL SHOCK, BE SURE TO SHUT OFF POWER BEFORE INSTALLING OR SERVICING THIS FIXTURE.

Before You Begin:

- Ensure power is turned off at the circuit breaker before installation.
- Read all instructions carefully.
- Installation should be performed by a qualified electrician if you are unfamiliar with wiring.

Step-by-Step Installation:

1.Thread the fixture main wire through the mounting stem and the center hole of the glass shade. Secure the mounting stem to the glass holder, then lock the fixture body onto the mounting stem.
2.Pass the main wire through the hanging loop and secure the loop tightly to the fixture body.
3.Adjust the chain to the desired hanging length. Thread the main wire through the chain, screw collar loop, and ceiling canopy. Use the quick link to connect the chain to the fixture loop.
4.Secure the mounting bracket to the junction box using the provided screws.
5.Wiring Connections
·Use wire connectors to connect the fixture's positive wire, negative wire to the corresponding wires from the junction box. Connect the ground wires to the grounding terminal.
·Ensure no exposed conductors remain outside wire connectors or outside the junction box.
6.cure the ceiling canopy to the mounting bracket using the screw collar loop.
7.Install light bulbs and test the fixture. (Bulbs not included)

Safety Instructions:

To avoid fire, shock, and serious personal injury, follow all instructions carefully.
1. Do not install or use the light fixture if any part is missing or damaged.
2. To avoid possible electrical shock, be sure electricity is turned off at the main fuse or circuit breaker box before wiring.
3. Make certain no bare wires are exposed outside the wire connectors.
4. All wiring must conform to national and local electrical codes.
5. Follow the recommended instructions for the proper method of wiring your new light fixture. If you feel you do not have enough electrical wiring knowledge or experience, have your light fixture installed by a licensed electrician. Any electrical work not described in this manual should be performed by a licensed electrician.
