Warranty

# The goods

## IMPORTANT

1. Do not tighten bolts / screws completely until all bolts / screws are lined up and inserted into holes.
2. Do not over tighten screws and bolts to avoid stripping.

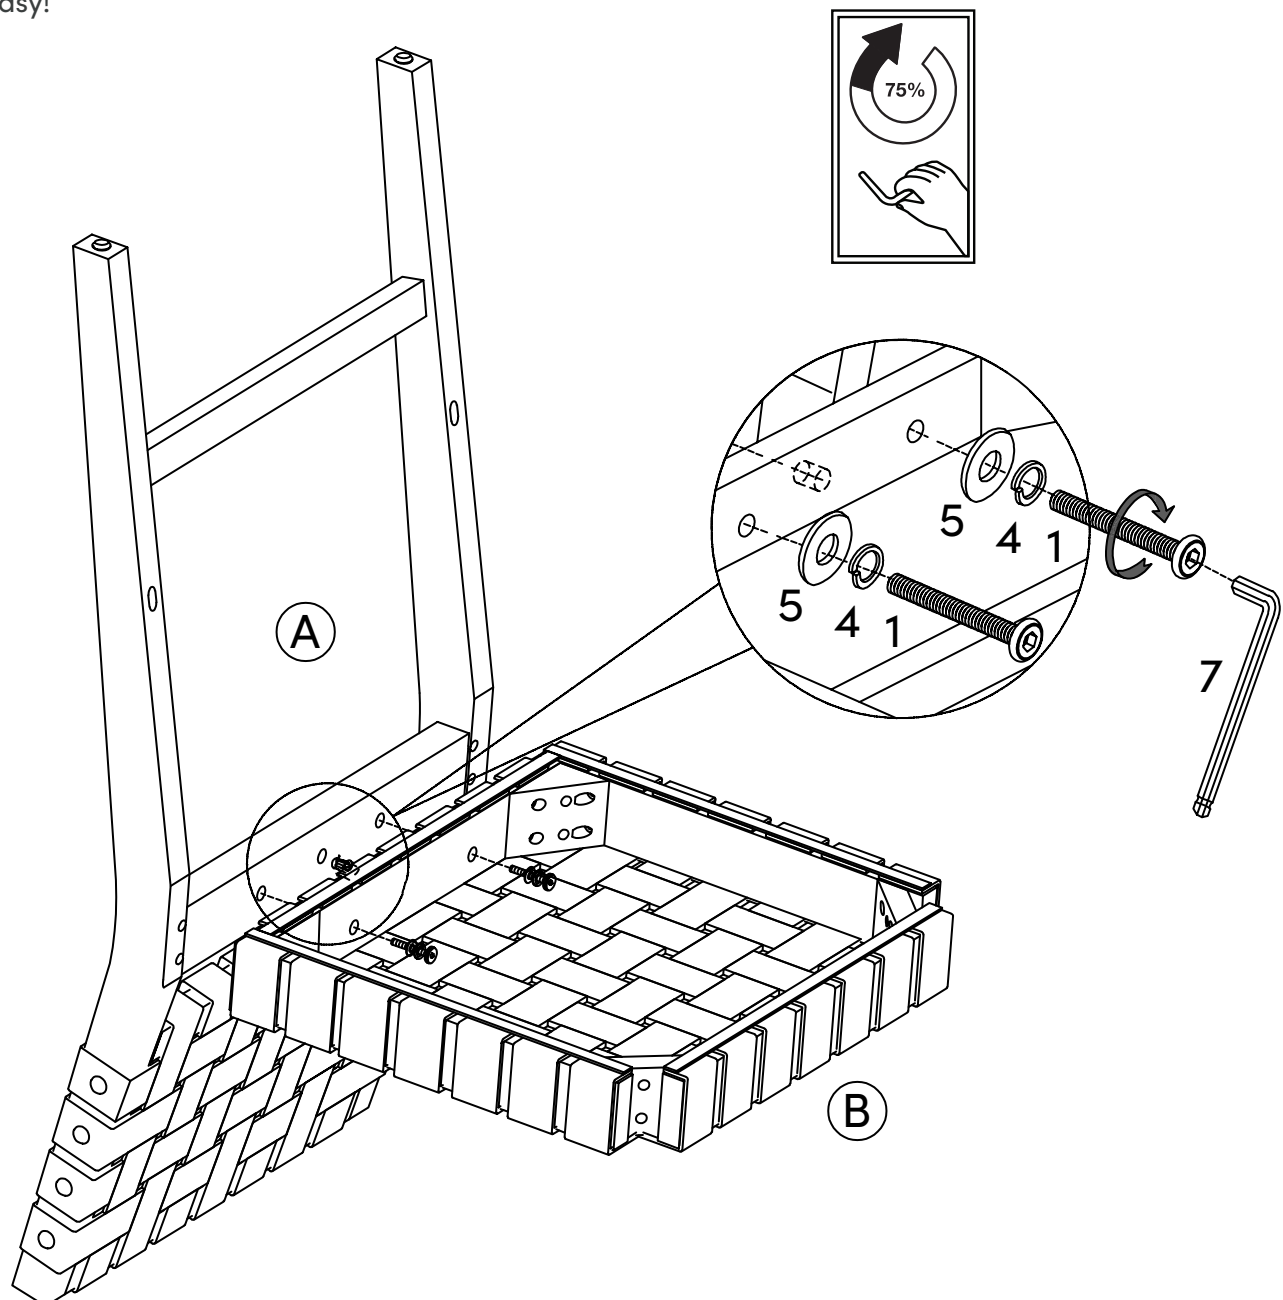

# Step 1

Let's get this thing fired up!

Secure on the Chair Back (A) and the Seat Frame (B) using the 1/4 inch Flat Washer (5), 1/4 inch Lock Washer (4) and 1/4 inch x 40mm Hex Button Head Bolt (1).

We told you this was going to be easy!

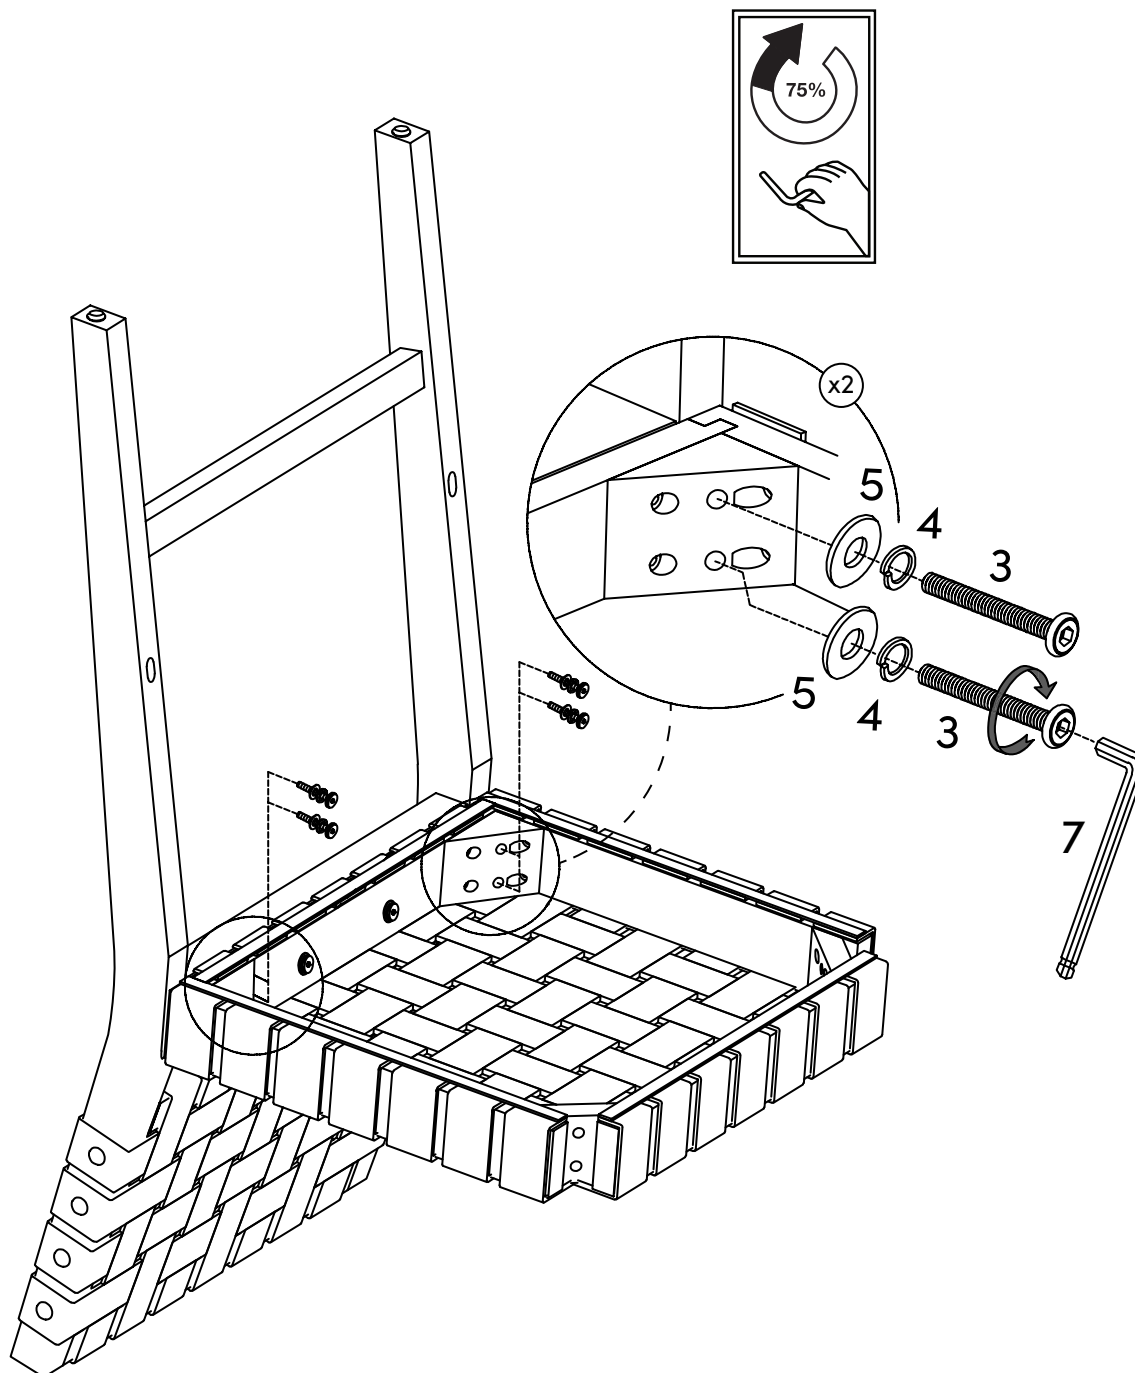

Do not overtighten hardware.  
Tighten to 75% for now.

# Step 2

Safety first, then comfort: let's make sure your stool is sturdy! Secure the Seat Frame (B) using the 1/4 inch x 40mm Hex Button Head Bolt (3), 1/4 inch Lock Washer (4), and 1/4 inch Flat Washer (5).

Do not overtighten hardware.  
Tighten to 75% for now.

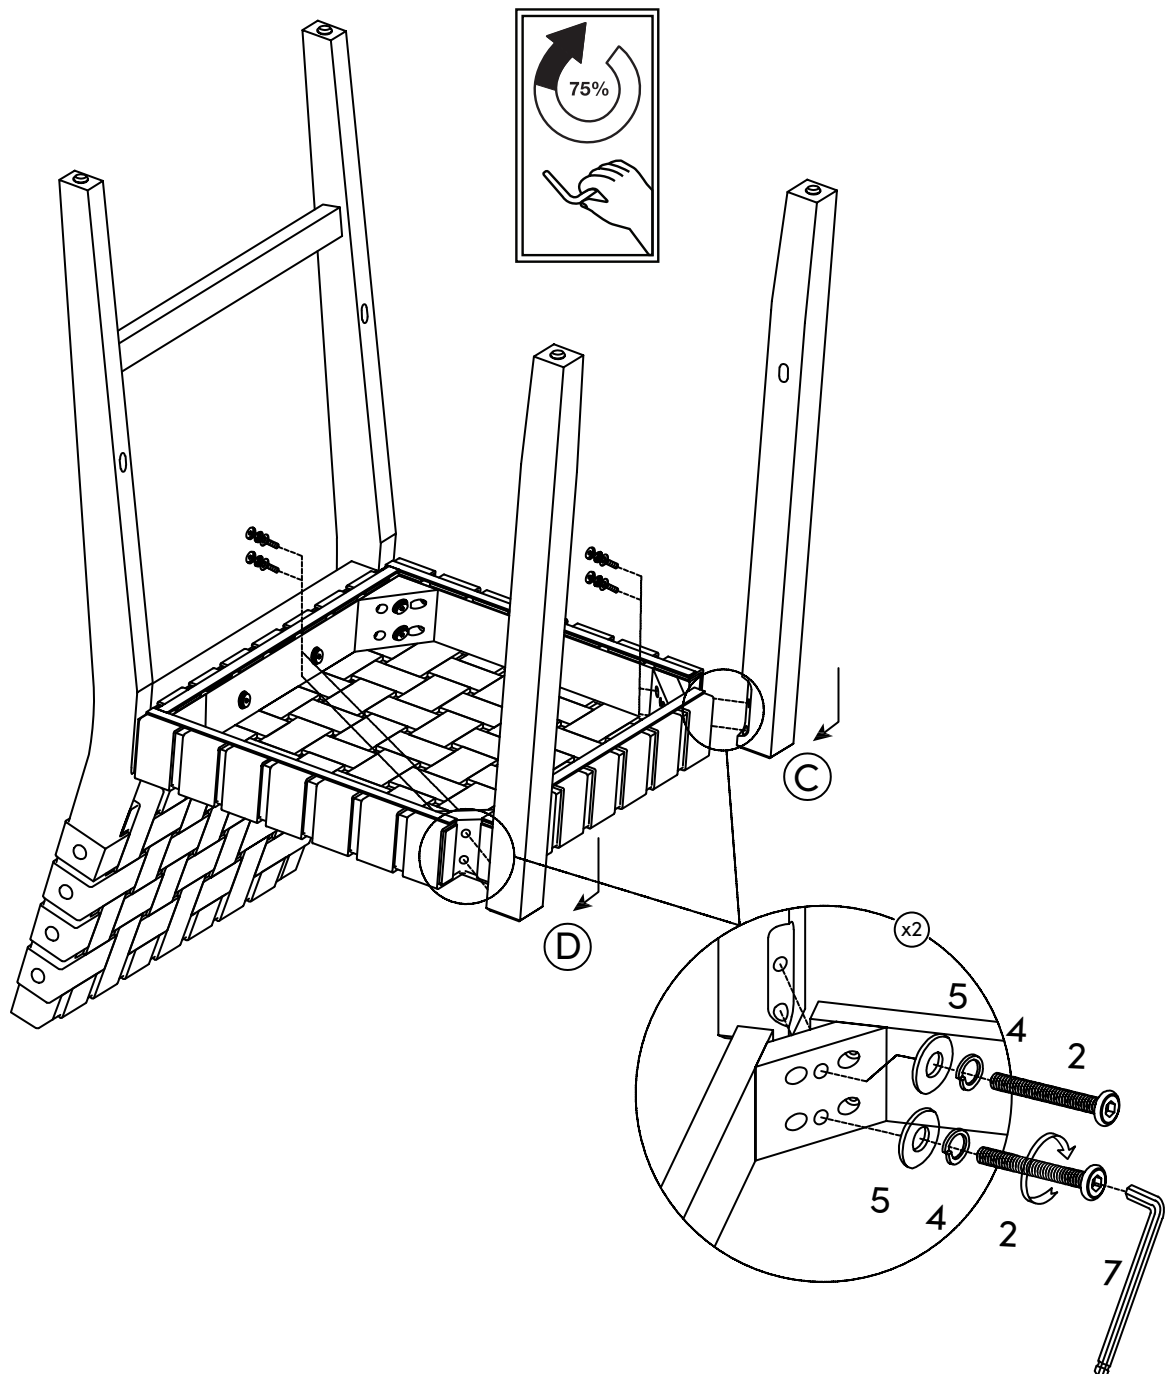

# Step 3

Let's secure those Front Legs (C) & (D) in place using the 1/4 inch x 60mm Hex Button Head Bolt (2), 1/4 inch Lock Washer (4), and 1/4 inch Flat Washer (5).

Consider this your workout of the day!

Do not overtighten hardware.  
Tighten to 75% for now.

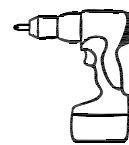

## Step 4

Now, screw on the Front Footrest (E) and Side Stretchers (F ). Use the M4 x 38mm Screws (6) to make this happen.

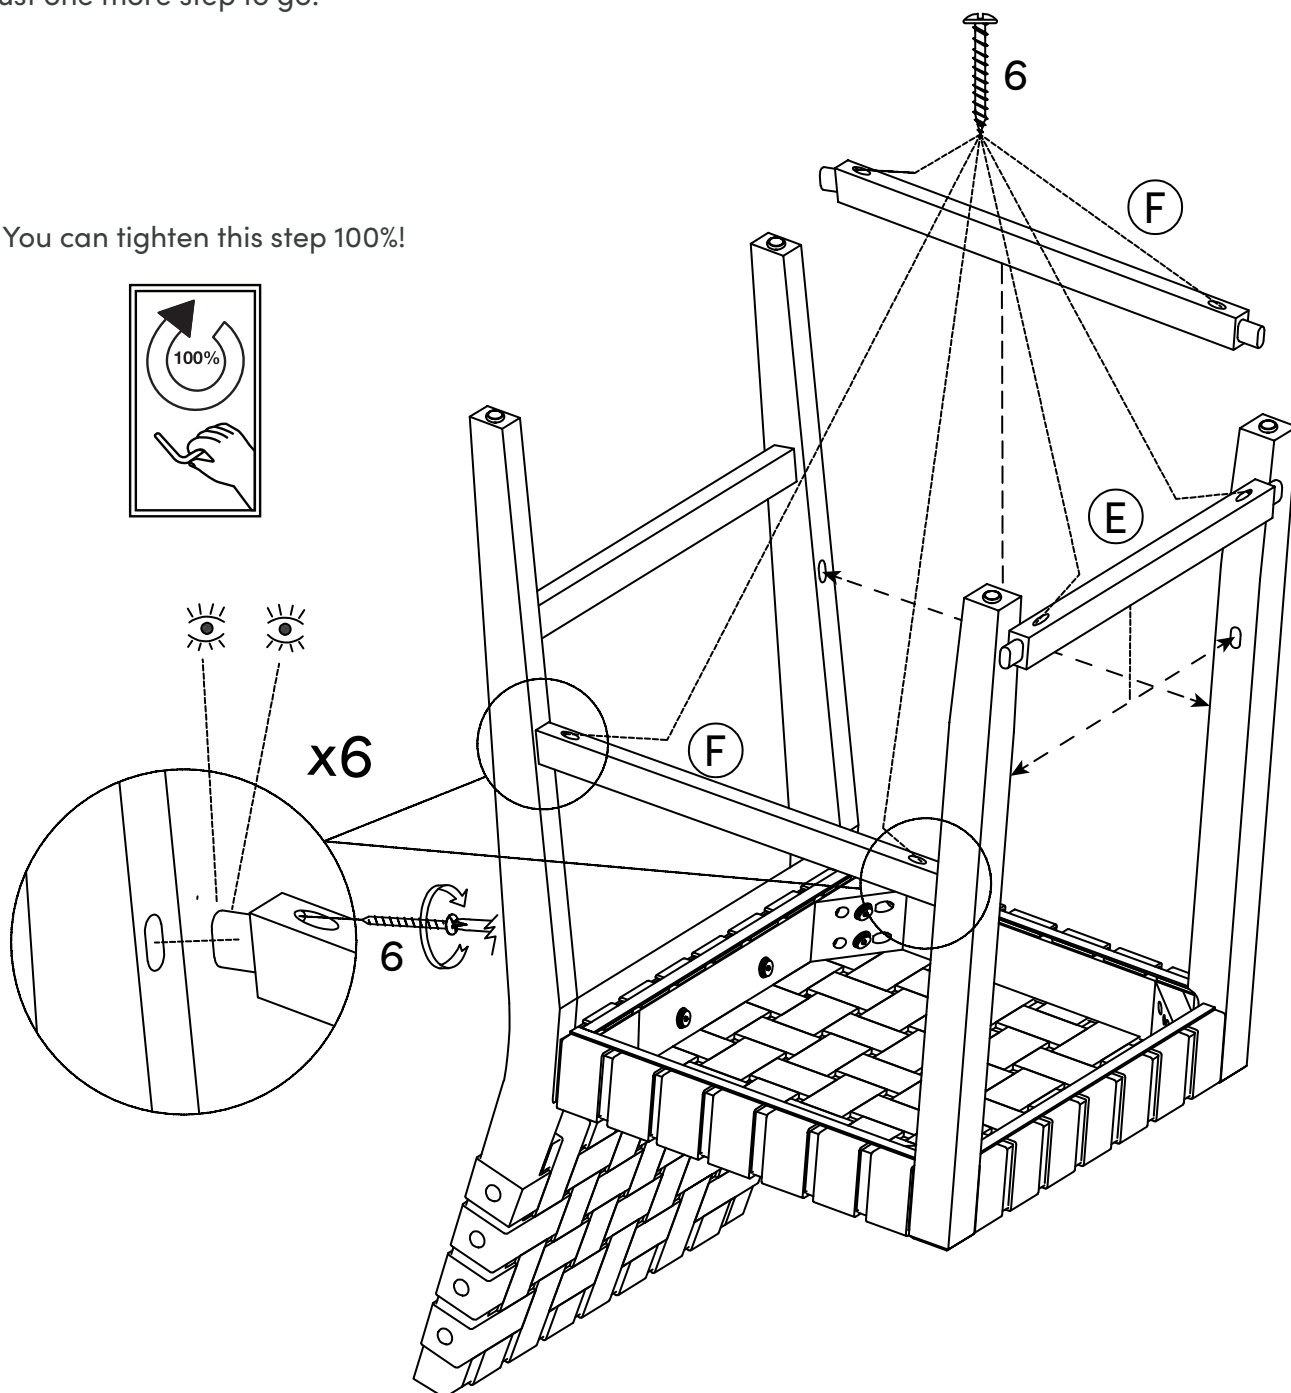

We're almost to the finish line,  
just one more step to go!

If you are having trouble getting the screws to catch, it is recommended to carefully use an electric screwdriver or drill with necessary bit for this step.

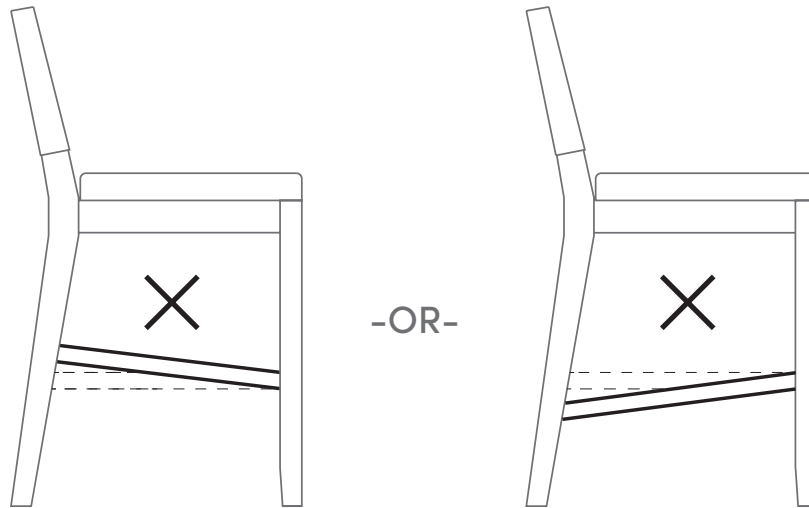

**Do not over-tighten; holes may become stripped.**

You can tighten this step 100%!

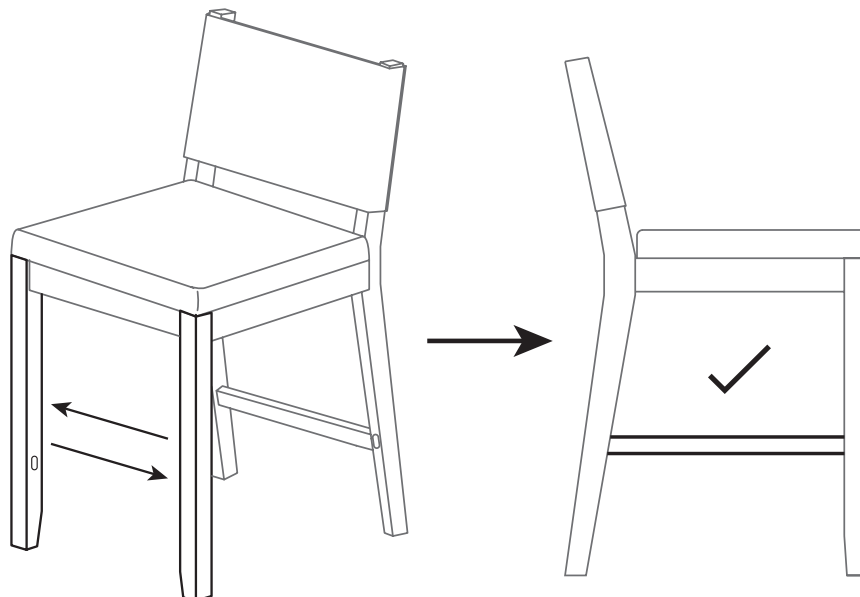

# Issues with stretchers aligning at an angle?

If the stretchers are set at an angle when you are aligning them with their respective holes on the front & back legs, **you have likely assembled the front legs incorrectly.**

Re-check to confirm that the proper legs are installed in their intended position on the proper side of the stool.

**The front legs are not interchangeable; therefore they may need to be rotated and swapped to the opposite side.**

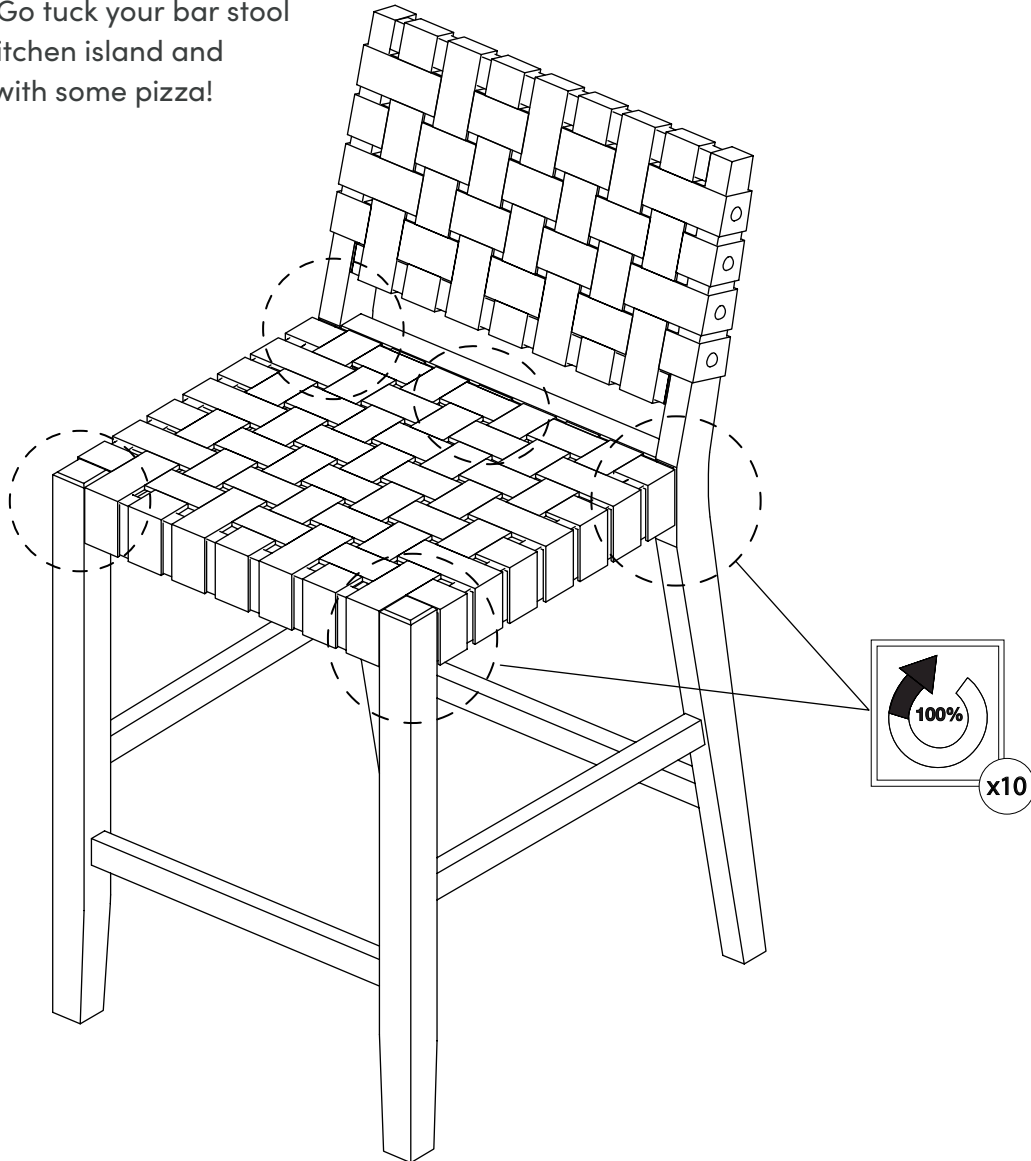

# Step 5

Carefully flip the stool over on a flat surface and make sure the legs are touching the ground evenly before tightening everything to 100%.

You did it! Go tuck your bar stool into your kitchen island and celebrate with some pizza!

# No heartburn, when we handle the return

Give us a call **1-866-619-1004** or shoot us a message at **help@nathanjames.com** we will issue you a free replacement with **zero hassle**.

You

We really don't want you to go through the hassle of re-packaging your item and sending it back, because let's be honest...nobody has time for that.

# Safety first, fun later

We want your product to last as long as possible, so we recommend that you tighten the screws 2 weeks after assembly and for added safety check the tightness of all screws every 2 months.

For proper care and treatment, please check our website at [NathanJames.com/products](http://NathanJames.com/products)

## Safe use of this product starts with you.

Use this product responsibly with the primary concern for your safety. Follow assembly instructions carefully and inspect product upon receipt and each use.

Nathan James and its parent companies cannot be held legally responsible for any injuries or death resulted from failure to follow instructions or improper use of this product.

## Do not modify the structure of this product in any way.

Our products have been tested to meet specific safety measures as they were originally intended to be sold. Any modifications will present the risk of creating significant safety issues which NJ will not be responsible for.

## Proper use

- |               |                              |
|---------------|------------------------------|
| <b>DO NOT</b> | use for commercial purposes  |
| <b>DO NOT</b> | frolic on bar stool          |
| <b>DO NOT</b> | use bar stool as foot stool  |
