INSTALLATION GUIDELINES

1. We recommend assembling the product with two people for ease and safety. This allows for better handling of larger components and reduces the risk of accidents.
2. Before assembly, please ensure that you have checked all the parts and make sure that no parts are missing.
3. Do not tighten up all the screws until each part is properly assembled.
4. We offer customers a free lifetime warranty. If you have any questions, please contact us, our email address is on the cover.
5. To avoid giving you a bad installation experience, please follow the following steps in the installation instructions, and carefully distinguish screws and boards.
6. To avoid choking hazards, please keep small parts and packaging materials away from children.
7. Adult assembly is required. Keep away from children during installation.
8. After the installation is completed, please use cotton cloth to clean the board.

Warning: Use medium to low speed when installing screws to prevent damage to the furniture!
