Enjoy your new wagon!

USERMANUAL

⚠WARNING

Immediate Discontinuation: Discontinue use immediately if any defect is found.
Personal Safety: Wear gloves during assembly, installation, or disassembly to protect against moving parts.
Intended Use: This wagon is designed for cargo transport only. It must never be used to transport children or adults under any circumstances.
Load & Environment: Always stay within the recommended weight capacity to ensure safety and prevent product failure. Avoid prolonged exposure to direct sunlight, water, or moisture. If the wagon gets wet, dry it thoroughly immediately.
Proper Handling: For optimal performance and durability, use on level ground with secure footing and avoid rough, uneven, or icy terrain. Assemble and fold with care, avoiding excessive force to prevent damage. A slight odor from the tires upon unboxing is normal and harmless.

1.Parts Checklist •••

Wagon
(with Replaceable Cover)
x 1

Storage cover
x 1

Detachable Wheels
x 4

Lining Pad Portable
x 1

2.Assembly&Use •••

Step 1:

To install each wheel: align the holes, press the button gently, and push inward.

Step 2: Exzpand Frame

●Unzip the storage bag completely and detach it.

● Undo the hook-and-loop strap by peeling it apart to free the cart.

● Pull the wagon frame to both sides until it locks in place.

Step3:Press the latch and fold the extension panel down.

Step4: Use Handle

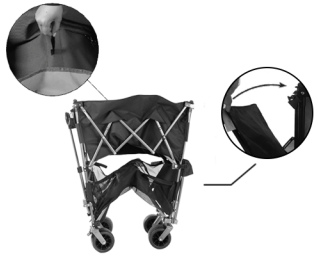

Pull the handle upward to extend it to your desired length for use.

3.Storage Instructions •••

1. Press and hold the button while pushing the handle downward.

2. Lift the base handle and fold/ collapse the wagon completely.

3. Secure the cart with the hook-and-loop strap, then cover it with the storage bag and zip it closed— well done!
