

Technical drawing of a stepped block. The overall dimensions are 20" wide and 22" high. The block features a sloped top surface on the left side, which is 10" wide at the top and 13" wide at the bottom. The right side is a vertical face, 15" high. The bottom surface is 13" wide. The block is divided into sections by horizontal lines, with a 3 1/2" section at the top and a 3 1/2" section at the bottom. The drawing includes dashed lines for extension and dimension lines with arrows.

A diagram of a rectangular area, oriented vertically, with a total height of 22' and a width of 1". The rectangle is divided into two sections: a light gray upper section and a dark gray lower section. Dashed lines indicate the dimensions: 1" for the width and 22' for the total height.
