SAFETY PRECAUTIONS

Assembly Checklist

 Read through the instructions carefully before you begin.	 Make sure you have all the required tools. Never use power tools unless instructed.
 Identify and lay out all of the components before you begin assembly.	 Two people are required to assemble.

Useful Information

- ! Never use power tools unless specifically instructed. They can damage your components or hardware if used incorrectly.
- ! The most common mistakes made during assembly are using the wrong hardware or getting components back to front.
- ! Always use a soft surface (such as carpet or cardboard) when assembling your product to avoid scratching or damaging the surface of the product.
- ! Bulky items such as wardrobes and bunk beds should be assembled in the room they will be used in as they may not fit through a door once assembled.
- ! Never use any glue until you are certain that the parts belong together.
- ! Periodically check and re-tighten all fasteners. Check the product care label or website for product care instructions.
- ! If you are having any difficulties assembling your product, missing any hardware or components please email us.

SAFETY PRECAUTIONS

QUICKFIT

Tighten quickfit until shoulder is flush with panel. Do not overtighten or undertighten.

CAM LOCK

When fitting cam lock, ensure starting position is correct before you insert connecting quickfit.

Quickfit head should be in the centre of the cam lock when the two panels are joined. Cam lock should be inserted before quickfit.

Turn cam lock clockwise to tighten.

PRODUCT WARRANTY INSTRUCTION

Free Warranty Period:

The free warranty period starts from the product receipt date and lasts one year.

Coverage during the Free Warranty Period:

1. If any components of the purchased product are damaged due to non-human-induced reasons natural wear and tear excluded corresponding new parts will be replaced free of charge.

2. If the entire purchased product is damaged due to non-human-induced reasons natural wear and tear excluded and cannot be further used, corresponding parts or a brand-new product will be replaced free of charge.

Coverage after the Free Warranty Period:

After the warranty period expires, replacement components will be provided to customers at cost price for continued service.

Additional Services:

After purchasing the product, customers can consult our staff for any product-related inquiries.
