**Short Description**

Use the Brentwood TS-112R Single Serve Coffee Maker with Mug to make the perfect cup of coffee using up to 4 tablespoons of your favorite coffee grounds. Simply place your grounds, add water and hit the power button. The reusable filter basket holds up to 4 tablespoons, double the strength of a normal cup of coffee. Unit is BPA Free and easy to clean.

**Long Description**

Use the Brentwood TS-112R Single Serve Coffee Maker with Mug to make a perfect single serving of your favorite coffee. Simply place the grounds, add a cup of water and hit the power button to start brewing. Save money and help protect the earth using the included reusable mesh filter basket. Choose the strength of your single cup of coffee. Use two tablespoons for a normal cup of coffee or use up to 4 tablespoons for a cup twice as strong. Our single cup coffee maker is entirely BPA Free. Removable filter basket, filter cup, and drip tray make clean up a breeze.
