

Hamish Accent Clock 635249

Metal and wood mantel clock.

Antique silver-finished metal case with translucent satin espresso finished wood gear and base.

The antique silver-finished dial features round rivet hour makers and an open center with antique silver-finished moving gears.

Moving gears are incorporated into the clock's design, enhancing the overall dynamic while creating an attention-grabbing focal point.

Quartz, battery-operated movement requires one AA and one D battery.

Charcoal hour and minute hands.
