Longer UV resistance vs hide

WHY CHOOSE IT

- Cruelty-free & vegan certified**  
No hides, no by-products. 100% synthetic construction from source to finish.
- Water & stain resistant**  
Non-porous surface repels spills and resists deep staining without treatment.
- Consistent quality**  
Uniform grain and thickness across every roll — no natural variation or defects.
- Easy to maintain**  
Wipe clean surface. No conditioning, no polishing, no specialist products needed.
- Cost-effective**  
Lower material cost than full-grain animal leather with comparable drape and feel.
- Reduced carbon footprint**  
No tannery, no tannery chemicals — a significantly lighter environmental impact.

HOW IT'S MADE

VS. ANIMAL LEATHER

	NAT Faux Vegan	Animal leather
<b>Cruelty-free</b>	✓ Always	✗ No
<b>Colour consistency</b>	✓ Uniform	✗ Varies by hide
<b>Water resistance</b>	✓ Inherent	✗ Needs treatment
<b>Maintenance</b>	✓ Wipe clean	✗ Conditioning req.
<b>Price point</b>	✓ Lower cost	Higher cost
<b>Breathability</b>	Moderate	✓ Better airflow
