REMOTE CONTROL FUNCTION

TROUBLE SHOOTING

1.If your lamp does not work, please make sure that plug is firmly in and 2 batteries were installed in the remote, then press the Rocker and on/off button of the remote to turn on.

2.If the remote can not control the bulb, please try to reconnect remote to the bulb as following step:

After the bulb turn on, long press the remote's on/off button within 3 seconds until the bulb flashes.
