

Ovente Potato Masher Blender Attachment (ACPHS500B)

\$11.99

Key Features

- **BPA-Free** – Made of BPA-Free plastic, so you never come in contact with harmful chemicals in your food.
- **SIMPLE ASSEMBLY** – Putting on and taking this attachment is a breeze. Simply press the side buttons of the blender to eject, and click into position to attach.
- **VERSATILE** – With this attachment, you're not limited to just mashed potatoes (or sweet potatoes). You can make guacamole, baby food, mashed cauliflower, and much more!
- **EASY TO USE** – Mashing cooked vegetables and more become nearly effortless with this handy attachment. It saves you time in the kitchen, too!
- **Compatible** with Ovente 6-Series Hand Blenders (HS660, HS665, HS680, HS685, HS690, HS695).
