

Ovente Air Fryer 3.2 Qt (FAM21302W)

\$74.99

Key Features

LESS OIL, MORE FLAVOR – On average, air fryers use 70% less oil than conventional frying methods, saving you money. With an air fryer, you can taste the true quality of your fried foods, instead of it being saturated in greasy oil.

POWERFUL & ADJUSTABLE – Comes equipped with 1400W power, 3.2 qt capacity, high-speed air circulation technology, LED indicator lights, and a rotary temperature control knob (140-390°F).

CONVENIENT – Features a non-stick removable basket, a cool-touch handle and housing, a timer (up to 30 min), anti-skid feet, has dishwasher-safe parts, and auto shut-off for safety.

VERSATILE – Fry, bake, grill, and roast anything with this extremely versatile appliance! From homemade French fries to brownies, it does it all with a simple touch! The instruction manual also includes recipes.

FANTASTIC VALUE – Your purchase of an Ovente Air Fryer also comes with a bonus grill/fry pan and a fry basket to suit your
