Butterfly Ballerina Bronze

1200-0432

Overall: 24"h x 16"w x 5.75"d

Finish: Green/Black

Materials: Bronze/Granite

Item Weight: 13.5 lb

Our exuberant Butterfly Ballerina Bronze sculpture is made from a lost-wax technique when boiling bronze is poured into a mold covering an original wax sculpture that melts away. Once set, there is a very long process of refining the bronze to give it patina. This is among our bronze art pieces created by an unknown artist.
