

Thank you for your purchase! It is our desire to make your entire experience from purchase to installation as easy as possible. We ask that you read each step of this installation manual thoroughly to ensure proper installation of your new Cabinet. Our installation techniques are very important. Installing your Shelf in any manner other than the steps outlined in this manual may lead to structural failure of your Shelf.

It is your responsibility to see that your Tempered Glass Storage Cabinet is properly assembled, installed, and cared for. Failure to follow instructions in this manual could result in serious injury. Use this product with Shelf cautions.
