## Entangled Romance 1

D1591S31813-2720

Entangled Romance proposes an abstract landscape at nightfall. The large work on canvas features horizontal swaths of color that create a view of land, water, and sky in hues of blue. The blue color scheme is rendered in slate, cobalt, indigo, and midnight. A narrow band of alabaster and dove grey provides a bright emphasis.

A glimpse of the sun through the clouds, Entangled Romance beautifully intertwines light and dark in this stormy abstract. An original work of art on canvas.
