

The Broadway humidior offers ample storage capacity for up to 150 cigars. It includes a removable upper tray that consists of two adjustable Spanish cedar dividers, allowing you to customize the space according to your needs. Beneath the tray, there is a spacious lower section with an extra divider, providing additional organization for your cigars.

The Broadway cigar humidior features an elegant and striking high lacquer two-tone finish, adorned with a distinctive border motif. It is equipped with an oversized hygrometer for convenient and clear humidity monitoring. Additionally, it includes a gold lock and key set for added security.
