

HEADBOARD MOUNTING KIT & INSTRUCTIONS

Congratulations on your headboard purchase!

Your headboard comes pre-drilled for easy installation to your bed frame. This kit comes with all the essentials to ensure a smooth installation.

THIS KIT INCLUDES THE FOLLOWING

- EIGHT (8) WASHERS 
- FOUR (4) 2" LONG, 1/4" THICK PAN HEAD SCREWS 
- FOUR (4) WING NUTS 

ATTACHMENT INSTRUCTIONS

1. Place the metal bed frame against the headboard
2. Insert the washers into the bolts
3. Insert the bolts through the bed frame and into the headboard legs
4. Secure with the wing nuts

As an alternative, these headboards can be mounted/hung on the wall.
