Hardware Package(included):

Model:ZP155

ASSEMBLY AND INSTALLATION INSTRUCTIONS

WARNING: TO AVOID RISK OF ELECTRICAL SHOCK,BE SURE TO SHUT OFF POWER BEFORE INSTALLING OR SERVICING THIS FIXTURE.

NOTES:1.Before installing,consult local electrical codes for wiring and grounding requirements.
2.READ AND SAVE THESE INSTRUCTIONS.

Installation Steps

Turn off the power at fuse or circuit box

Assembly of the fixture body
Check if all the accessories are included.

Steps 1-2: Insert the lamp arm into the hole on the top of the lamp body,and then tighten with the nut and washer.
Step 3: Connect the lamp head wire of the same color with the same color wire of the main wire.
Wiring part : black wires need to be connected with black wire, white wires are connected with the white wire with approved electrical tape.
Steps 4-5: Close the lid and tighten the smooth nut.
Step 6-8: Tighten the boom on the lamp body.
Step 9: Tighten the lifting ring on the boom.
Step 10:Fasten the movable buckle into the hoist ring and tighten it.
Step 11: Remove the threaded ring from collar loop, Pass wires through collar ring and through canopy, Tighten (fix) the lifting ring on the hanging plate.
Step 12: Attach the Mounting Bracket to the outlet box by using two mounting screws.
Step 13: Pull out the source wires from the outlet box. Make wire connections using wire nuts as follows:
---Connect the hot wire (usually black insulation) from the fixture to the black wire from the power source.
---Connect the neutral wire (usually white insulation) from the fixture to the white wire from the power source.
---Attach the fixture grounding wire (usually bare wire) connect it to the house grounding wire with the wire nut.
--- Carefully put the wires back into the outlet box.
Step 14-15: Cover the junction box on the ceiling with a canopy ,Fix the canopy to the ceiling with a collar ring
Step 16: Install the fabric lamp shade and tighten it with the lamp plastics ring.
Step 17: Install E12 bulb (not included). Check relamping label at socket area or packaging for maximum allowed wattage. Turn on the light, and the installation is complete.
