RETURN & WARRANTY

Thank you for choosing our product!

We would like to take this opportunity to thank you for choosing us. We hope that you are completely satisfied with your purchase, and enjoy it for years to come.

Your satisfaction is our highest pursuit.

Return policy

We believe you will absolutely love your furniture, but if for some reason you want to return the product, please contact us directly before you decide to return your product to the retailer. Our Customer Service organization can answer most concerns and can assist you with any questions you may have about your new product.

The item must be returned in good condition, in the original box, with all original proof of purchase, parts and accessories, within the time frame specified by the retailer that/which it was purchased from.

Warranty

The company warrants this product to be free from defects in material and workmanship and agrees to remedy any such defect.

This warranty covers one year from the date of original purchase. This is solely limited to the repair or replacement of defective parts and no assembly labor is included.

This warranty does not apply to any product which has been improperly assembled, subjected to misuse or abuse, or which has been altered or repaired in any way.

For help with assembly, identifying parts, product information, or to place an order, please contact us freely.

BEFORE STARTING

Before Using Product

- ☐ Read each step carefully before starting. It is very important that each step is performed in the correct order. If these steps are not followed in sequence, assembly difficulties will occur.

- ☐ Make sure all parts are included. Most board parts are labeled or stamped on the raw edge.

- ☐ Prepare a flat and Philips screwdriver (not included)
A Power Screwdriver is recommended.

- ☐ Work in a spacious area and near where the unit will be used, preferably on a carpet, or use a piece of the cardboard packaging to protect your floor and product.

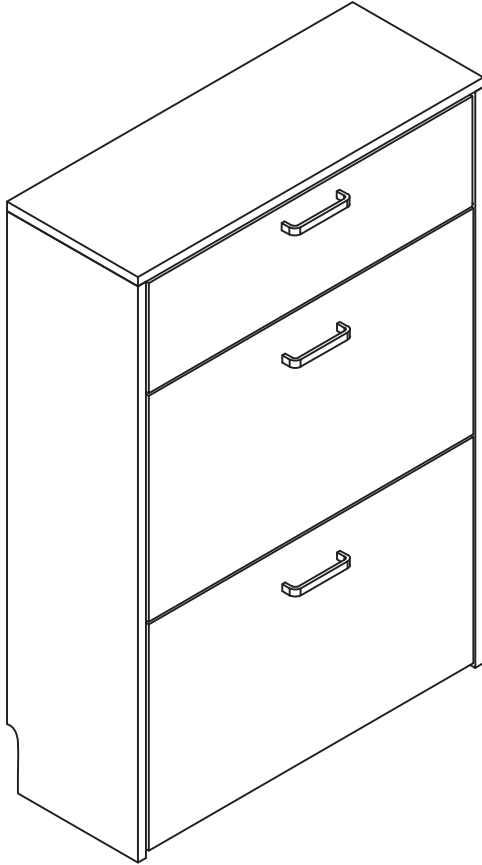

- ☐ For a smooth assembly process, we suggest you keep a lite tightness for all the screws during assembly. After the whole product is assembled, firmly tighten all the screws.

WARNING

- Do not allow children to climb on unit.
- Avoid sharp objects or corrosive chemicals to prevent damage to the product.
- During assembly, keep parts and packaging materials away from children and pets as there could be potential injury and choking hazards.
- Please make sure that all objects are removed before moving the assembled unit.
- The unit must be team lifted, not dragged or pushed. Failure to do so could cause instability, product collapse, and/or serious injury.
