Parts List and Diagram

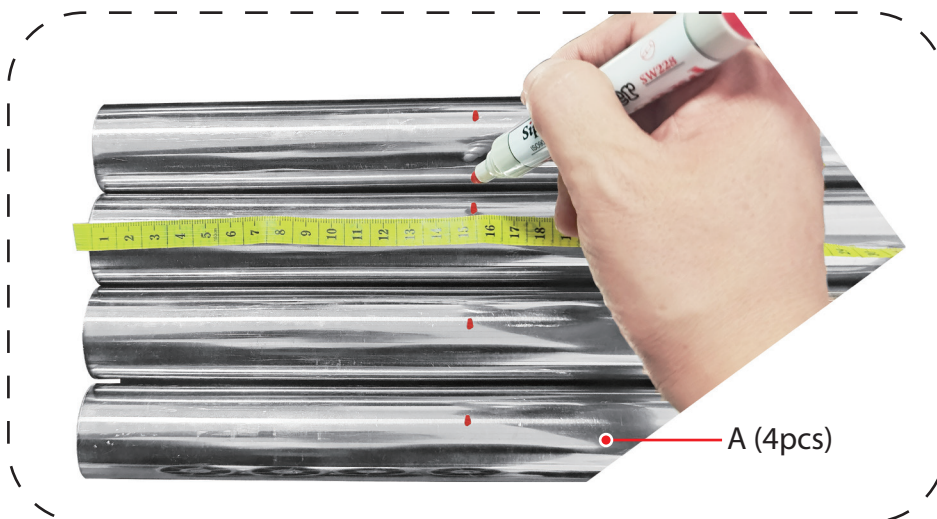

Before assembling the product, ensure that your package has the following parts. If any of the parts are missing or defective, please contact customer service for help.

| | | | |
|--|--|---|---|
| <p>Table leg tube</p>  <p>4 pcs A</p> | <p>Table board</p>  <p>1 pc B</p> | <p>Supporting layer</p>  <p>1 pc C</p> | |
| <p>Screws</p>  <p>4 pcs D</p> | <p>Wrench</p>  <p>1 pc E</p> | <p>Foot nails</p>  <p>4 pcs F</p> | <p>Universal wheel</p>  <p>4 pcs G</p> |

Assemble steps

Step 1

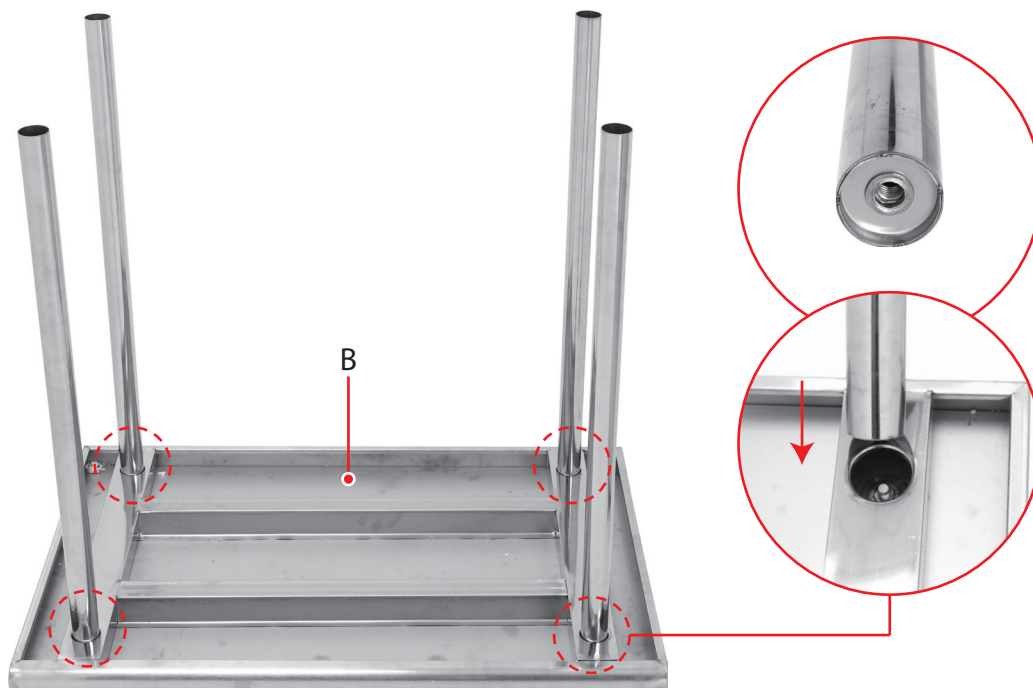

Using a tape measurer or another measuring tool we will mark where Part C (the support layer) will be on all 4 Part A's (the table legs). These marks should all be the same distance from the end of the table leg (Part A). Make the marks according to your preferred position.

Assemble steps

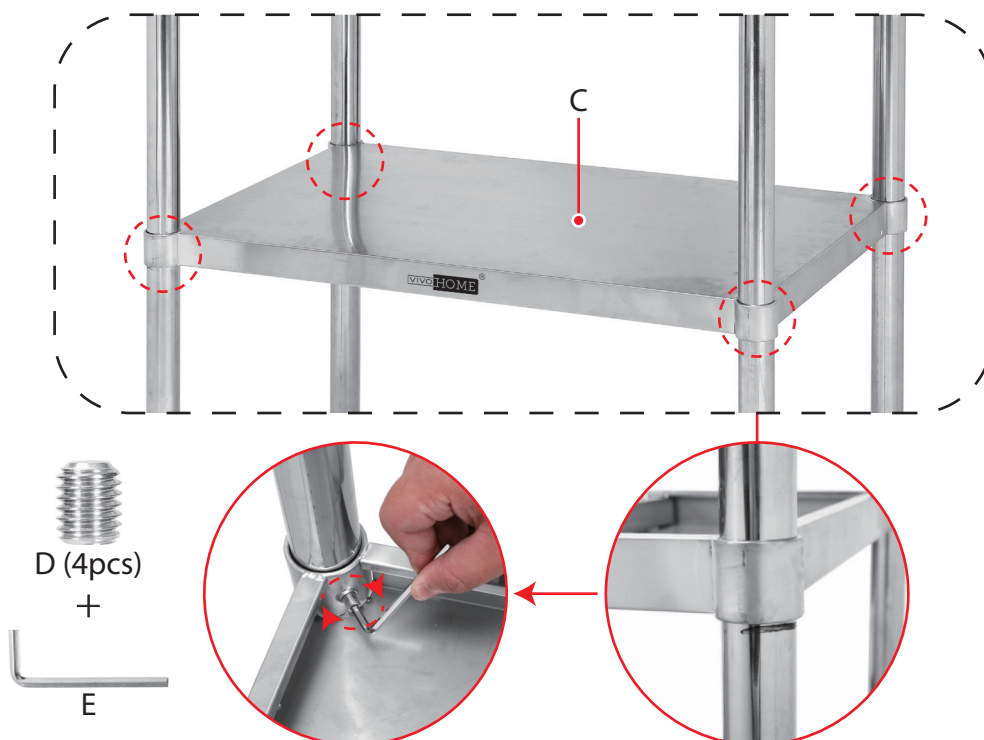

Step 2

Tighten the four Part A leg tubes as shown in the picture.

Step 3

Put the Part C supporting layer into the Part A table leg tubes, align the marks drawn before, and tighten the Part D screws.

Assemble steps

Step 4

Use a rubber hammer (not included) to knock the four Part F foot nails into the Part A table leg tubes. (Be sure to hit the end.)

Note: The product is equipped with four universal wheels with brakes. If you want to use the universal wheels, you can unscrew the metal foot pads of the Part F foot nails, screw on the universal wheels and tighten them.
