## NOTE

- Please check that you have all the parts and hardware listed before assembling.
- Please do not tighten all bolts until the table is assembled completely.
- If you find that something is missing, please contact the store you purchase immediately.
- At least every 4 months, check all bolts, screws and knobs to be sure they are tight.

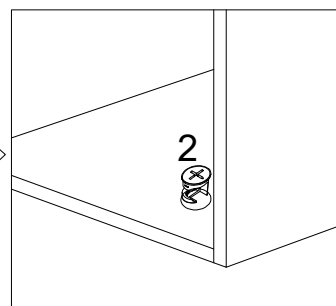

### Screws Installation Steps

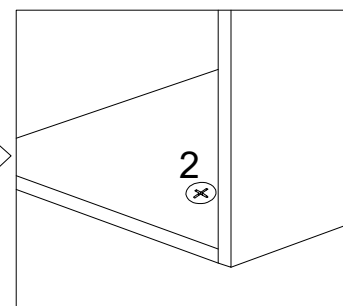

Screw the eccentric screw onto the board.

Find the corresponding board to insert.

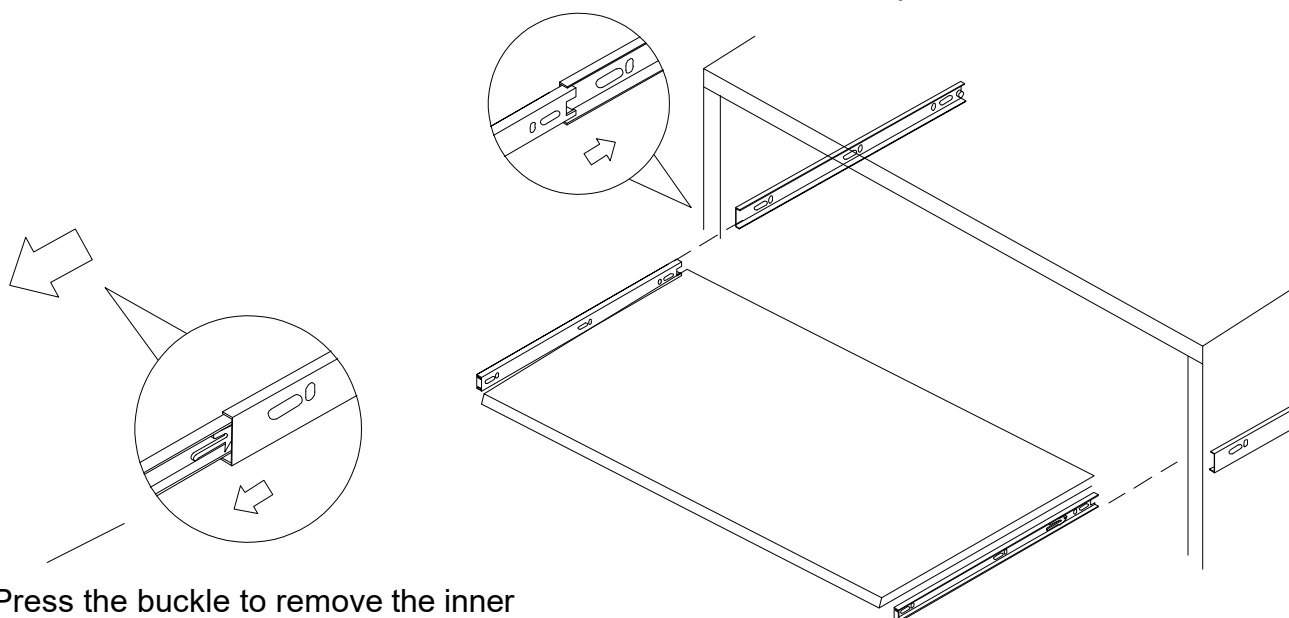

Insert eccentric bolt into round hole.

Turn clockwise about 180° to lock the board.

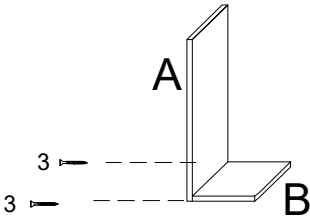

The track on the drawer is directly pushed into the track on the cabinet body, and the installation is completed.

1 Press the buckle to remove the inner track that holds the drawer.
