

IMPORTANT, RETAIN FOR FUTURE REFERENCE: READ CAREFULLY.

Read carefully before using the product.

This bench has been designed for outdoor use, such as gardens, terraces, balconies, or parks, depending on the model purchased.

Only for domestic use

USAGE TIPS

- Use the product on a flat, firm, and stable surface.
- Keep the product away from intense heat sources and direct flames.
- Observe the maximum weight indicated in the specifications for your model to avoid damage to the structure.
- To prolong its durability, we recommend covering the product with a protective cover when not in use.

ASSEMBLY

- Check that all parts are included before beginning assembly.
- Assemble and secure all parts following the instructions in the manual.
- Ensure that the structure is stable and securely fastened before using the bench.

MAINTENANCE AND CLEANING

- Clean regularly with a soft, damp cloth to remove dust and dirt.
- For wooden models, we recommend applying protective oil or varnish specifically designed for outdoor use, as needed.
- For metal models, periodically check for signs of rust and, if necessary, apply an anti-corrosive product.
- Avoid using abrasive or aggressive products that could damage the materials.
- In case of significant damage, do not use the product and contact customer service.

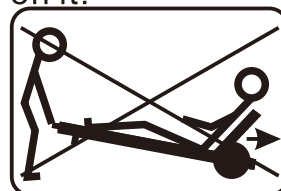

STORAGE CONDITIONS

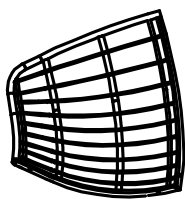

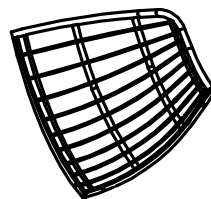

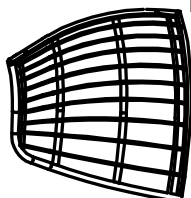

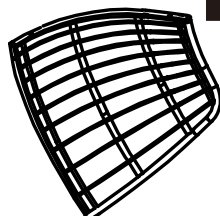

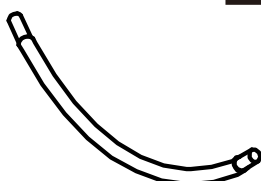

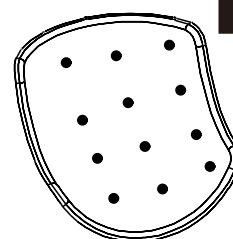

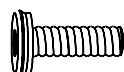

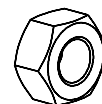

- This product is designed to remain outdoors. However, during prolonged periods of heavy rain or in the winter months, it is recommended to protect it with a suitable outdoor cover.
- If cushions are included, store these items in a dry place when not in use to prevent mold.

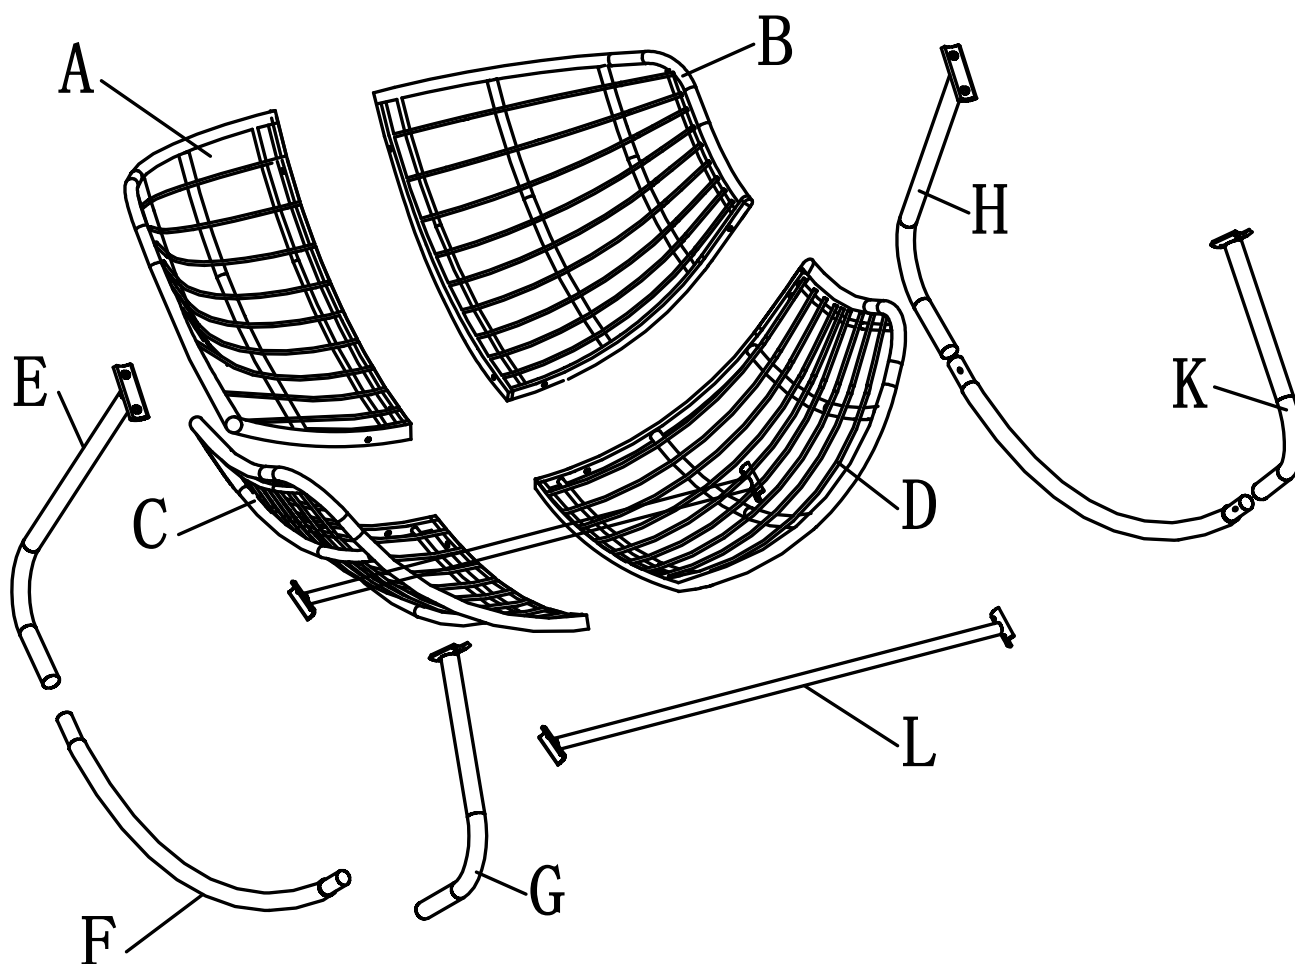

SAFETY WARNINGS

- Use caution during assembly and transport to avoid cuts or injuries caused by rough edges or surfaces.
- Use the bench only for its intended purpose. Avoid climbing, jumping, or applying excessive force to the structure.
- If it has wheels, do not lift or move it while someone is sitting on it.
- The manufacturer is not responsible for damage caused by improper use, incorrect assembly, or prolonged exposure to extreme weather conditions.
- In case of damage to the structure, stop using the bench and contact customer service.
