

# THEODORE ALEXANDER

## Repose 1

D149S2964-353

Soft Lines offers an Impressionist view of a classically posed nude female in recline. Subtle coloring in shades of lavender, sea foam green, and straw yellow frame the contour of the body and backdrop. Texture is brought forward through the layering of color and brush and line technique.

A graceful depiction of a delicate, feminine form, Soft Lines uses blurred textures and subtle tones to inspire a feeling of subdued reflection.
