Congratulation:

Congratulatlons to you on completing the assembly of the product through your own efforts, you have done a great job.

The assembly of this product may have been difficult, but you still had the patience and perseverance to get it done.

Notes:

1.If there are any defective or missing parts after unpacking, please stop assembly and immediately contact us.

2.The product is designed for indoor use only and must be assembled and used according to the provided manual. Modifying or altering the product from its original design may result in personal injury or damage to the product.

Product Maintenance:

1.Please place this item on the level solid ground.

2.Please do not stand or sit on the wooden boards.

3.Avoid long-term exposure to humid environments to prevent mildew.

4. Keep the product away from high temperature environments or fire sources.

5.If accidentally spill water or another liquid on the surface, immediately wipe with a dry towel.

6. Regularly inspect the tightness of screws while using the product. If necessary, re-tighten to ensure structural stability.
